

BOND ISSUE PLAN PASSED BY SENATE

REPORTERS TO MEET HOOVER SEMI-WEEKLY

NEW PRESIDENT TO BE MORE FRANK WITH PRESS

(In this, the sixth of a series of twelve dispatches, David Lawrence gives an outline of the policy of the Hoover administration concerning relations between the President and the press. In succeeding dispatches he will discuss other topics sketching the bases of action in the new administration.)

BY DAVID LAWRENCE

(Copyright 1929, by the Escanaba Press) Washington, Feb. 24.—Relations between the President of the United States and the press are directly of interest to the newspaper men but are of more concern really to the public as a whole.

Herbert Hoover plans a readjustment of these relations along lines that might well be described as involving greater efficiency. Having had nearly eight years of experience as Secretary of Commerce and having watched at close range the difficulties encountered by three Presidents in dealing with the press, Mr. Hoover will endeavor to make some changes. He will have three private secretaries, one of whom is an experienced newspaper man.

Already there has been discussion of possible revision of the present practice, with the idea of mutually assisting in overcoming embarrassments and handicaps that have prevailed in the past. The fact that the "White House Spokesman" has outlived its usefulness as a device for the expression of presidential policy is only one of the reasons that have prompted the movement for change. It is largely for that the press has been impressed upon the authorities here that it is entitled to more and more knowledge of what goes on behind closed doors in governmental councils.

Public Wants Facts.

It is recognized that a President has the right to withhold from the public news of deliberations that have not reached a conclusion and that he is privileged to discuss in private proposals on which he is not yet ready to present his matured views. On the other hand, there are many decisions reached by the Executive and his official family that ordinarily do not reach the press unless the press makes inquiry about them. Had there been, for example a better check on the Interior Department when Secretary Fall was in charge the press might have been able to tell the story of Teapot Dome long before the Senate made its investigation.

The new plan which is being discussed here for the presentation of news of governmental happenings involves a better system of cooperation between the cabinet officers and the press as well as between the Chief Executive and the newspapermen.

Twice-a-Week Conferences.

The right of a President to be quoted or not, as he desires, is accepted by the press as an unwritten law; but, at the same time, when a definite statement of policy has been made by the Chief Executive the newspapermen have sought the privilege of making such a statement known

Mysterious Attack Made on Jack Dempsey; Shot Fired

Manistique Youth Hears Radio on Byrd's Flagship

Manistique, Feb. 25 (Special)—Ulysses "Bud" Malloy, 18 year old Manistique youth, is one of the few amateur radio operators of the United States who can boast of hearing Commander Byrd's ship in the Antarctic regions.

Bud, who operates a radio store here, recently purchased a portable short wave receiving set which was delivered Saturday morning. He immediately set up the apparatus and Saturday night picked up a message from KDKA's short wave station, stating that they would re-broadcast the messages received from the "City of New York", Byrd's flagship of the expedition. The messages were to come from the South Pole regions on a wave length of 18.42 meters and be sent out again by the Pittsburgh station.

The youth turned the dials to the 13 meter markings, in an effort to receive the message directly and his attempt was successful. He heard the operator on the ship calling the Pittsburgh station. The call letters of the ship station are W-9-FIT. The ship is over 11,000 miles from Manistique.

EXTRA SESSION BEST APRIL 10

Longworth Tells Hoover Congress Will Be Ready by Then

Washington, Feb. 25.—(P)—President-elect Hoover was informed by Speaker Longworth today that in all probability it would not be possible to convene congress in special session before April 10. The speaker thought, however, that once convened its activities could be restricted to farm relief and to revision of the tariff.

The president-elect also conferred with William J. Donovan, assistant to the attorney general, who returned to Washington from Santa Fe, New Mexico, especially for the interview. Donovan has been mentioned frequently as a likely selection for secretary of war.

Mr. Longworth said the ways and means committee of the house would hold a meeting Saturday to take stock of the situation and determine as accurately as possible the date on which a tariff revision measure would be ready for the consideration of congress. The speaker said that although it did not seem as if congress could be convened before April 10, the opening certainly would not be later than April 20.

Is Only Amendment

Further, the speaker said, he and a majority of the Republican membership of the ways and means committee, including Chairman Hawley, were agreed upon the advisability of limiting tariff schedule revision to agriculture and industry. He added that only those industrial schedules for which it could be proved that world conditions had changed since the last tariff bill was enacted were to be taken up.

"I want the measure to be an amendment to the existing tariff act," he said, "and not a new tariff bill." He added that therefore any move for the general increase in industrial schedules would be opposed.

Mr. Donovan arrived in Washington this morning from Santa

(Continued on Page Three.)

Nicaraguan Canal Inquiry to Be Made

Washington, Feb. 25.—(P)—Within a few minutes after the senate had adopted today the resolution of Senator Edge, Republican, New Jersey, authorizing a survey of a Nicaraguan canal, President Coolidge forwarded to the senate a supplemental estimate of \$150,000 for the survey.

The appropriation, the same as that proposed in the Edge resolution was transmitted for inclusion in the second deficiency appropriation bill passed today by the house.

The Edge resolution still must be considered by the house but apparently the president and the budget bureau were acting in anticipation of house approval.

KIDNAPING PLOT, BELIEF OF FORMER CHAMPION

Miami Beach, Fla., Feb. 25.—(P)—The story of a mysterious attack upon Jack Dempsey by two unidentified prowlers, one of whom fired a revolver shot at the former champion, furnished the fight community a startling new thrill today.

The shot was fired, according to Dempsey, as he attempted to cut off the escape of a man who had awakened the Manassa Mauler and his companion, Floyd Fitzsimmons, shortly after 5 a. m. in the home of Harry C. Moir, and demanded at the point of a gun that the light in the bedroom be turned on.

The bullet went wild imbedding itself in the wall. The intruders escaped and left no clues that thus far have been located, either as to their identity or purpose.

Dempsey, who described the incident in detail to newspapermen and exhibited the flattened bullet, declared he was at a complete loss to understand the attack, unless prompted by a desire to abduct him for ransom.

"If this wasn't an actual fact it would sound like the bunk or the old hallyhoo," Jack admitted, "but that bird gave me a scare when I first saw his head poked through the doorway and what looked like a gun in his hand."

Robbery Not Motive

"He looked around, trying to make out what was what in the dark. Then when Floyd yelled at him he demanded we turn on the lights and called to someone outside named 'Joe.' The door was right next to my bed and I jumped at it, forcing the fellow out the hallway. Then we ran out through another door, trying to head off him and his pal. They were already down the stairway and let go as I got into the hall. Both went through a window."

Dempsey scoffed at the idea of attempted robbery, pointing out that nothing in the house was disturbed and that the intruders apparently had an object in going direct to his bedroom.

Miami Beach police were notified by Dempsey, his representatives said. Two detectives were assigned to the case as well as to furnish additional protection to the former champion until after the fight Wednesday night.

SEGRAVE TESTS HIS NEW AUTO

"Golden Arrow" Reaches Speed of 180 Miles in Trial

Daytona Beach, Fla., Feb. 25.—(P)—With thousands of spectators lining the sand dunes for ten miles, Maj. H. O. D. Segrave stepped his Golden Arrow racing machine to 180 miles per hour in its first trial here this afternoon.

So pleased was the Briton with the performance of his car that he declared he would prepare to run against the world's land speed record of 207.55 miles per hour about March 7th.

Segrave hopes to attain the car's theoretical speed, estimated at about 240 miles per hour, in the final trials.

As he sped along the beach the seaplane of Gar Wood, motor boat racer, tapped and curved overhead. Segrave expects to race his "Miss England" in an attempt to take from the Wood craft the water speed record of the world.

Is Second Attempt

"The Miss England", however, lied under guard in the yacht basin here, neglected for the time until Segrave can establish whether his Golden Arrow will be able to wrest the land speed record from J. M. White's Triplex car. The Triplex now is enroute here and the rivals expect to share the beach in preparation for the official trials.

The Golden Arrow, assembled here after its shipment from England, had never been driven before today and Segrave's turn at the wheel was brief. It was towed to the beach, followed by residents, newspapermen, photographers and mechanics all eager to see the car with airplane streamlinings undergo its first serious test.

It was not Segrave's first run on the sands. Year before last he first set the world's record above the 200 miles per hour mark with his "Golden Sunbeam" on the same beach.

Ray Keech was at the wheel of the Triplex last year when the giant 32 cylinder car set the present record.

(Continued on Page Three.)

State Briefs

Detroit—Leslie Hawkins, 23, who was injured at Rochester Sunday when he made his first attempt at ski-jumping, died in Highland Park hospital Monday. Physicians said his spine was broken in the fall.

Monroe—Three young men who held here as deserters from the United States army were returned to Fort Wayne, Detroit, today and turned over to officers of the post. They were Robert Grace, 21, of Wayland, Ky.; Adrian Burt, 18, and Doris Coum, 22, of Monroe.

Howell—James Scullin, 48, of Deerfield, near here, hanged himself Sunday in the barn at his home. He used the same rope and selected the same spot where his father had hanged himself last October. He was said by relatives to have brooded over his father's death.

Monroe—Announcement was made today of the purchase of 100 acres of land to be added to the development of the Newton Steel company here. The land adjoins that previously purchased and brings the tract's area to nearly 600 acres.

Detroit—Twenty children were carried to safety this morning when an apartment building here burned and drove 35 families to the street. While there was no great danger, considerable panic resulted and firemen made several spectacular rescues of women.

Detroit—Police and federal prohibition agents raided 21 alleged saloons Sunday and yesterday, arresting 19 persons and confiscating liquor valued at \$1,000.

LINDBERGH WITH BRIDE-TO-BE

Famous Aviator at Morrow Residence in Mountains

Cuernavaca, Mexico, Feb. 25.—(P)—Colonel Charles A. Lindbergh and Miss Anne S. Morrow, secluded in this remote mountain resort, are formulating together their wedding plans and in a few days may make announcement of the time and place.

The Associated Press is in a position to state authoritatively that there will not be a surprise wedding, as persistently has been rumored, but that after the principals themselves have decided—which they have not done as yet—the information as to where

MARRIAGE SOON?

New York, Feb. 25.—(P)—The New York American tomorrow will say it has learned from a reliable source that when Colonel Charles A. Lindbergh flew from Eagle Pass, Texas, to Mexico City Sunday he carried with him the wedding ring that will be used when he marries Miss Anne S. Morrow, daughter of United States Ambassador Morrow.

Within the next three days, probably somewhere in the American west, the flying ace will marry Miss Morrow and then he plans to hide from the public gaze until he sees fit to return.

and when will be given out.

The affianced couple are together here for the first time since their engagement was announced Feb. 12. Today Lindbergh drove an embassy automobile in which they explored alone the beautiful country in the vicinity.

There is little to break in upon their seclusion here. No paper is published in Cuernavaca. The residence of Ambassador Dwight W. Morrow has no telephone. Although the town is only a two-hour's ride by automobile from the capital its life is tranquil and undisturbed in a few other places of the earth could the young couple be so far removed from curious crowds and intruders.

Morrow in Capital

Besides their automobile ride, Lindbergh and Miss Morrow took short walks around the picturesque town and sat talking together in the courtyard of the Morrow home. The high surrounding walls of which are hidden by masses of multi-colored flowers.

Ambassador Morrow returned to the capital this morning to attend to his duties, but Mrs. Morrow and her daughter Elizabeth remained with Anne and Lindbergh. They expect to stay

(Continued on Page Three.)

REQUEST FOR DRY FUNDS IS TURNED DOWN

ADMINISTRATION DEFERS \$24,000,000 REQUEST

Washington, Feb. 25.—(P)—Administration forces in the House were again successful today in defeating an attempt to place a \$24,000,000 item for prohibition enforcement in the deficiency appropriation bill, but it was indicated immediately in the Senate that the controversy was not near a termination.

After the House has passed the bill, carrying \$2,700,000 added funds for dry law enforcement, instead of the \$24,000,000 which the Senate had approved, Senator Harris, Democrat, Georgia, renewed his efforts to increase the item.

The prohibition controversy occupied most of the day in the House. The Senate debated the case of William S. Vare, of Pennsylvania, who has not been permitted to take his oath of office as a senator. Senator Reed of Missouri, chairman of the committee which investigated the Vare election, called up the subject on the floor with a report recommending that the Pennsylvania not be allowed to occupy a seat. After considerable debate the question was put aside for the time being.

The Senate then approved the measure of Senator Edge of New Jersey calling for a survey of a canal route across Nicaragua. Another bill drawn to carry out the housing program at army posts was presented in the House by Representative James of Michigan a member of the military committee. It would authorize the appropriation of \$15,000,000 for work at posts in all parts of the country.

The question of radio wave lengths got into the Senate debate. Senator Dill of Washington charged that the District of Columbia court of appeals had decided a case in favor of station WGY, of Schenectady, without considering opposing views of the radio commission. The Washington senator said the court was so impressed with the appearance of Charles Evans Hughes that it did not even consider the arguments of the opposing side. Hughes was counsel for WGY.

Philippine independence was discussed by a number of witnesses before the House ways and means committee. Those arguing against a tariff on copra and coconut oil held that so long as independence was denied duties should not be levied against Philippine goods.

The Jones bill to increase the penalties for violations of the prohibition law was approved by the House judiciary committee and an effort will be made to obtain legislative priority for it so that it can be made a law at this session of Congress.

The nominations of Irvine L. Lenroot of Wisconsin and Henry H. Glassie of Maryland, to federal judgeships, were considered by a senate committee but action was deferred. Lenroot was nominated to the court of custom appeals and Glassie to the District of Columbia supreme court.

A special House committee of nine would be authorized to investigate the illegal entrance of

(Continued on Page 10.)

Day in Washington

(By The Associated Press)

President-elect Hoover conferred with Speaker Longworth on the special session.

The house passed the \$194,500,000 second deficiency bill, rejecting the \$24,000,000 prohibition increase.

The senate did not take action on the Reed committee report denying a seat to Senator-elect Vare of Pennsylvania.

The house ways and means committee considered Philippine trade relations, in its study of the tariff's administration.

The supreme court refused to review the sale of the Kansas City Star, Times and Weekly Star to its present owners.

The District of Columbia court of appeals sustained the General Electric Company in its contention that Station WGY at Schenectady should not share its time with another station.

John Bonno, Civil War Veteran, Dies Sunday; Saw Lee Surrender

John Bonno, veteran of the Civil War, died at his home, 620 South Twelfth street, at 5:15 o'clock Sunday afternoon. His last illness began December 11 with an attack of influenza in which complications later developed, and his condition for several weeks had been critical. He was 81 year of age. His wife, whom he married nearly 64 years ago, survives.

Mr. Bonno was one of the few remaining eye-witnesses to the surrender of the army of Robert E. Lee to the Union forces commanded by U. S. Grant, at Appomattox, Md., on April 9, 1865. The battalion of which he was a member was drawn up on a hillside near the Appomattox court house, and every feature of the ceremony was plainly visible from that station. It made an indelible impression in the mind of the soldier and he often described the scene in most interesting detail.

Native of Canada

His death leaves but one member of C. F. Smith Post, No. 31, Grand Army of the Republic, John Rubens is the only remaining member of the Civil War veterans' organization in this community. When it was suggested, some months ago, that the Post surrender its charter and formally disband, Mr. Bonno and Mr. Rubens decided that so long as one of them was able to carry on, the Post would be maintained. Mr. Bonno held the office of commander.

Born L'Orignal, Quebec, Feb. 18, 1848 Mr. Bonno came to the United States at the age of 16. The family settled at Ogdensburg, N. Y. A few weeks after his arrival in the States, Mr. Bonno enlisted in Company G, 23rd New York Infantry, and was sent immediately to the Potomac valley for active service with the forces under Grant. He arrived late to participate in the Battle of the Wilderness but he was under fire at Spotsylvania Court House, Hatchet Creek, Stony Run and the action around Petersburg, which broke Lee's resistance and led to the collapse of the Confederacy.

Married in 1865 He was discharged from service in June 1865, and returned to Ogdensburg where, the following

WISCONSIN MEN ARE VINDICATED

Court Refuses to Take Action Against Officials

Madison, Wis., Feb. 25.—(P)—Progressive Republican leaders including three of the state's principal officers were vindicated today when Superior Judge S. B. Schein refused to order criminal proceedings be started against them for alleged violation of the corrupt practices act.

In the decision handed down in superior court here the judge denied the request of Arthur R. Barry, Milwaukee, special prosecutor, for criminal action, with the statement that "I am satisfied there is no occasion for criminal warrants against any of these men recommended for criminal prosecution."

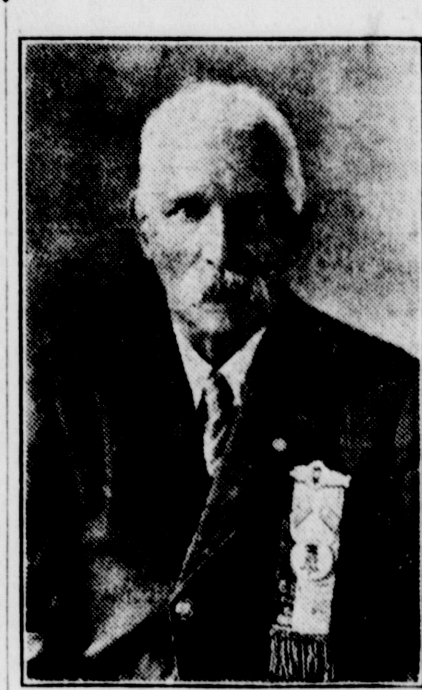

Barry had recommended criminal action against Lieut. Governor Henry Huber, Attorney General John W. Reynolds, Secretary of State Theodore Dammann, Representative Joseph D. Ebel, defeated candidate for the Republican gubernatorial nomination; Samuel Sigman, manager of the progressive pre-primary campaign and the Capital Times, Madison daily newspaper.

Kohler Takes Action

Judge Schein also refused the request that a transcript of the evidence pertaining to U. S. Senator Robert M. La Follette's primary activities be transmitted to the senate, saying he was "convinced that he violated no law either civil or criminal."

Barry had charged that a total of \$131,191.28 was spent upon behalf of the Progressives in the primary campaign in which Beck was defeated by Walter J. Kohler, conservative leader. Kohler now faces court action in the Sheboygan county circuit court, seeking to disqualify him from holding office on the ground of violation of the corrupt practices act through excessive expenditure and other irregularities.

The court made no reference to Barry's recommendation that Richard H. Lee, New York lawyer, be prosecuted in Milwaukee county. Barry had charged Lee with making unreported contributions to the Progressive cause.

JOHN BONNO

MANY KILLED IN WINDSTORM

Twister Sweeps Over Southern State; Buildings Are Wrecked

Duncan, Miss., Feb. 25.—(P)—A heavy windstorm swept through this village this afternoon, killed at least 11 persons and left the business section in ruins. Estimates of the injured ranged as high as 100.

Six Chinese were killed in the collapse of a store, and the other victims met death in the collapse of buildings. Two blocks of the business district, about 15 dwellings and four cotton gins were razed. Only four or five business houses were left standing.

Only three white persons were known to have been among the dead. An accurate check of the victims was not possible early tonight because some of them were removed to nearby towns.

The storm came about 2:30 o'clock this afternoon. Searching parties continued tonight to comb the debris for other victims.

At Alligator, Miss., six miles north of Duncan, Mrs. N. P. Oswald and baby and Mrs. Rollings Oswald and two children were injured in the collapse of their home.

The storm disrupted communication lines into Duncan for a time and calls for help were sent from Alligator. Physicians and ambulances from surrounding towns responded to the summons.

National guardsmen from Clarksdale were ordered by Governor Bilbo tonight to proceed immediately to Duncan, and it was announced that other detachments would be called if necessary.

TWENTY KILLED.

Birmingham, Ala., Feb. 25.—(P)—The Age Herald was advised in a telephone conversation with Sheriff W. L. Matthews of Clarksdale, that reports to his office were that 20 or more persons were killed by a storm that swept across north

MEASURE MAY BE LISTED ON APRIL BALLOT

GREEN SUPPORTS PROPOSAL IN SPECIAL MESSAGE

Lansing, Mich., Feb. 25.—(P)—The state senate tonight approved the administration's proposed bond issue for institutional improvements in an amended form which reduced it from \$24,000,000 to \$20,000,000. It is proposed to submit the issue to the voters at the April election if it is approved by the house. The vote, was 25 to 6.

Senator Arthur E. Wood, author of the resolution, offered the amendment to reduce the bond issue to \$20,000,000 and to limit distribution to institutions for the insane, tubercular, epileptics and feeble minded, another offered by Senator Charles A. Sink of Ann Arbor and approved, included the psychopathic hospital.

The final vote follows: Yeas: Achard, Binning, Branson, Campbell, Condon, Conlon, Cowan, Gansser, Harding, Heidkamp, Horton, Howell, Jankowski, Jelowich, Leland, Miner, Persson, Richardson, Rushton, Sink, Stevens, Turner, Upjohn, Veenendaam, Wood and Woodruff.

Neas: Atwood, Barnard, Engel, Lennon, O'Connell, and Skinner.

Skinner Leads Opposition Early evidence that the administration had gained additional support for the Wood measure during the week-end recess came when Senator James T. Upjohn of Kalamazoo, announced he would vote for the measure. He explained it included tubercular hospitals at his request. Other senators to switch their vote tonight were Leland and Turner.

The final vote of approval did not come before a heated attack on the administration by Senator James A. Skinner, of Cedar Springs.

"It is no secret the administration wouldn't have shed many tears if I had not been elected," Senator Skinner said in admitting his position. "I don't want to go back home to have the people tar and feather me for supporting such a measure," he added. The Kent county solon assailed the governor for giving up his income tax measure. "Within a few hours he jumps from the income tax to bond issue and I claim it isn't consistent," he said.

ASKS SUPPORT Lansing, Feb. 25.—(P)—Governor Fred W. Green went before the legislature tonight with a formal plea for the adoption of a \$24,000,000 bond issue.

In a special message to the Senate he declared "it is unthinkable that the legislature fail to solve the problem" of caring for the state's wards. He asserted the need for funds for improving state hospitals and other institutions is imperative and recommended the bond issue. "It would not be good business to undertake this work by a series of appropriations," he added.

The governor reiterated that he believed the income tax plan was the best, but that since it has been rejected by legislative committees the bond issue is the alternative.

Asks Support Again His message follows: "By common consent, the most important thing to be accomplished by this legislature is to provide hospitalization for the state's wards. It is unthinkable that you will fail to solve this problem. Our state, a leader, always, has fallen behind in this work, and literally thousands are suffering from neglect. Our social system is being poisoned by the feeble-minded and each day brings new tales of unspeakable woe. In this situation I do not want to dictate. I only want to remind you that Michigan will not forgive us if we do not show ourselves equal to the emergency. You, the legislature, are the sole agency of the people for getting this done."

"I have favored an income tax as the best solution. Your finance committee through the Chairman Rushton has said 'no.' Now I ask that you again consider a bond issue with the idea that you will create a sinking fund from some source that will not be an added burden on the general property tax. We are justified in borrowing money because this is an investment in behalf of neglected human beings. An investment in human values has economic return."

"We are so far behind in this humanitarian work that an ordinary appropriation say of two million dollars a year, will not be adequate. Our budget director, Mr. Thompson, says that with an

(Continued On Page Three.)

MUCH BUILDING WORK PLANNED

Several Stores to Install Ornamental Fronts This Spring

Improvements now being made and others contemplated to business buildings on Ludington street will greatly add to the attractiveness of Escanaba's principal shopping district this spring. Two arcade front entrances are being put in at the Young and Pillion store, 918-20 Ludington street. The floor of the entrances and the window bases will be finished in tile. Alterations are being made also in the interior of the store and new fixtures will be installed.

The Wickert building, 1016 Ludington street, will be remodeled for occupancy by the Women's Wear store, which will be moved from its present location at 919 Ludington street about April 1. A new front, in modernistic style, will be one of the improvements.

Tilbert's cafe, 922 Ludington street, will also be given a new attractive front. Work will be started within a few days. The front pillars, base and cornice will be finished off with white brick veneer, and the latest type of ornamental prism glass will be installed.

The Economy Light company, 1105 Ludington, also is planning to put in an ornamental front.

Another attractive business structure will grace Ludington street with the completion of the Kresge building about May 1. The building trade is looking forward to a good season during 1929. Quite a number of new homes are expected to be built. Some building will also be done at the Upper Peninsula State Fair grounds. The construction of the Escanaba-Gladstone road and the bridge over the Escanaba river near the No. 1 power dam will also furnish much employment during the year.

That they may understand highway motor traffic and troubles, 220 men in the Buckinghamshire, England, county police force are being taught to run automobiles.

Of 28 borough councils in London, 15 have done nothing in the past seven years to build new houses or relieve the conditions of the slums, recently declared the Bishop of London.

SIGNING PACT THAT MADE VATICAN FREE STATE

Cardinal Gasparri, papal secretary of state, is shown affixing his signature while Premier Mussolini looks on. The agreement ended a 60-year period of coolness between Vatican and Italy.

AVIATION BRIEFS

The U. S. Air services round the world flyer, the only one still in service, has laid the plans for an air line on the Hawaiian islands. Capt. Lowell H. Smith will ask for a year's leave of absence to carry out his plans.

Word of a hunters' paradise was brought the other day in a letter from Robert Rentz, pilot for the Universal Air Lines, Inc. Rentz located the good game area along the shore of Mexico, north of Tampico, as he flew southward. It ran for a distance of about 250 miles, in which Rentz said he only saw one tent and a light house.

However, there was a great deal of game, including deer, turkeys and geese and big flocks of wild ducks, and out in the Gulf waters could be seen sharks and other fish.

The flying country was good along the coast, he reported, the plane being flown at an altitude of only 50 feet along a great part of the trip, with a beach underneath which would make a good landing field.

Observance of National Aviation Week, from April 6 to 14

inclusive, has been asked of Detroit citizens in a proclamation issued recently by Mayor John C. Lodge. During that period the Second All-American Aircraft Show will be in progress in Detroit, and it is expected that the greatest number of flying ships ever assembled in peace time will be harbored in Detroit at that time. The aircraft show is sponsored by the Detroit Board of Commerce and by the Aeronautical Chamber of Commerce of America. Invitations are being sent to the 5,500 commercial airplane owners in the United States to fly to Detroit during that week, says Edward S. Evans, chairman of the Detroit show.

In an effort to facilitate the handling of the visiting planes, a survey has been made of Detroit's available landing fields by the aircraft bureau of the Board of Commerce and the City Engineer's office. The survey shows that there are 11 fields in the Detroit district, having a combined capacity ample for nearly 6,000 planes. Special servicing arrangements will be in effect on each field. Following are the available fields with their plane capacity distributed as follows: Ford and Municipal airports, 1,000 planes each; Packard field, 700; Triangle and Mathewson fields, 600 each; Aircraft Development Corporation, Stinson field at Wayne and Stinson field at Northville, 500 each; Scully field, 400; and One Hundred and Seventh Observation Squadron field, 20.

While the Municipal airport and the Stinson field at Wayne are not now complete, the show committee has every assurance that they will be in readiness by April. Selfridge field may also be used, although no servicing arrangements could be promised there, owing to military regulations. The eleventh field is the United States Naval Reserve base at Grosse Ile, where flying boats and amphibians can be accommodated.

OBITUARY

JOSEPH VICKERS.

The body of Joseph Vickers will remain at the Alto Funeral Home where funeral services will be held Wednesday afternoon at 2:30 o'clock with Rev. R. C. G. Williams, pastor of the First M. E. church, officiating. Burial will be in St. Joseph's cemetery where his wife was buried six years ago. A daughter, Mrs. Gerald Gaynor of St. Paul, arrived yesterday and a son is expected to arrive today from Philadelphia, Pa.

BLANEY PARK

By Frances Vezina Saturday and Sunday a house party was enjoyed at Bear Creek Lodge by Mr. and Mrs. A. L. Sayles, Mr. and Mrs. C. D. Sagelmeier, Mr. and Mrs. G. E. Ford, and Mr. and Mrs. L. T. Kniskern of Newberry. Winter sports were enjoyed by all.

Sunday morning the home of Mr. George Falconer of Blaney Park near the first to see it went to the home and found that the man was sleeping. After rousing him he called the Blaney Park Fire Department which gave quick service in putting out the fire. The roof was badly damaged. Mr. George Falconer is now staying at the home of Mr. and Mrs. E. J. Laporte.

Wednesday a sking luncheon was given by Mrs. L. T. Kniskern and Mrs. G. Ford of Newberry. Among those who attended were Mrs. Campbell, Mrs. Redwine, Mrs. Horner, Mrs. Gibson, Mrs. Sherman, Mrs. Richardson, Miss A. Hall, Mrs. Foster, Mrs. R. Leighton, Miss R. Fretz, Mrs. Spinks, Mrs. G. Ford, and Mrs. L. T. Kniskern. George Washington decorations were carried out with red and white carnations, red hachets, and red, white and blue tully cards. After luncheon skiing and bridge playing was the diversion. All having a delightful time.

Sunday the Misses Monica Jones, Orpha Mac Neil and the Messrs. R. G. Mueller and C. E. Taylor of Manistique were visitors at Bear Creek Lodge.

Mr. and Mrs. Barrett of Newberry were guests at Bear Creek Lodge Sunday noon.

Mr. Burt L. King, representative of the Delta Hardware Co. of Escanaba, was a business caller at Blaney Wednesday.

Mrs. Chas. Haase of the Soo transacted business here Tuesday.

Mr. W. R. Norton of Escanaba also transacted business here Thursday.

Mr. C. G. Barton of Flint was a caller here Friday.

Mr. H. P. Church of Marquette was a business caller here twice in the past week.

Mr. W. E. McDonald of Escanaba and Mr. Burt Mick of Manistique are business callers at Blaney this week.

Mr. Harold Earle of Hermansville and Mr. and Mrs. Ames of Marquette were visitors at Bear Creek Lodge Sunday.

Mr. George J. Vezina of Blaney is spending his vacation at Chicago and Fort Wayne, Indiana.

PROHIBITION IS SENATE ISSUE

Administration Is Winner in Skirmish Over Huge Appropriation

Washington, Feb. 24—(AP)—Administration supporters won the first skirmishes in the house today in the contest over providing an increase in funds for prohibition enforcement.

By a vote of 134 to 71, the house rejected a new move from the Democratic side to appropriate \$24,000,000 instead of the \$2,700,000 suggested by President Coolidge upon the recommendation of the treasury.

Immediately after this action an amendment by Representative Wood, Republican, Indiana, to provide \$1,719,854 for this purpose was accepted. This proposal was one of a series of amendments offered by administration supporters to the second deficiency supply bill under consideration by the house.

The purpose of the series of amendments was to incorporate at proper places in the measure arts of the \$2,700,000 to be allotted to various agencies charged with enforcement of the dry law.

The controversy over the \$24,000,000 proposal was revived by Representative Bankhead, Democrat, Alabama. He and other Democrats have been dissatisfied with plans of administration leaders to let the first deficiency bill carrying such an amount die in the hands of a conference committee and he sought this opportunity to obtain another vote on the proposal.

Green Leads Attack Bankhead lost out after a brief but sharp debate today. The house also turned down a proposal by Representative LaGuardia, Republican, New York, to provide \$300,000,000 for enforcement. Representative Fish, Republican, New York, also was unsuccessful in an effort to include additional funds in the measure for narcotic enforcement.

The debate led to some of the most turbulent scenes the house has witnessed this session. While some members shouted and cheered, Representative Green, Democrat, Florida, denounced the administration and Republicans generally. He was so persistent in talking after a motion to end debate had been put that the chairman threatened to report him to the speaker for misconduct.

St. Francis Hospital

Edward Esler of Gladstone, was admitted Monday morning in a very critical condition suffering from intestinal obstruction.

Mrs. H. H. Nelson of Wilson, Mrs. Emil Klien of Ford River, Frank Donkson, 320 Stephenson Ave., Mrs. Orval Charland, 1222 Stephenson Ave., Miss Mabel Johnson, Trenary, Max Neveux, Gladstone, Miss Irene Merrick,

Engadine, are among the new patients admitted yesterday. Otto Johnson has sufficiently recovered to return to his home, First Ave., North, after an attack of pneumonia. But he will be confined to the house for several days longer. Mr. and Mrs. Jacob Bink, 1019 So. First Ave., are the parents of a daughter, born Sunday evening. This is the fifth girl in the family. Harriet Maule, who was burned Saturday, is slightly improved but is not allowed any visitors.

Nearly 34,000,000 square meters of glass are being produced each month in Belgium.

Plans are under way in India to coordinate the many schemes for new highways.

"I am strong for Luckies."

John Gilbert Celebrated Screen Star

"Motion picture actors are under a great strain—they need the comforting qualities of a good cigarette. That is why most of us smoke Lucky Strike. The marvelous toasted flavor of Luckies brings complete enjoyment and relaxation but does not hurt the throat or wind. I am strong for Luckies—they are the 'stars' of the cigarette picture. I would rather have a Lucky after a meal than rich pastries or desserts."

JOHN GILBERT

The modern common sense way—reach for a Lucky instead of a fattening sweet. Everyone is doing it—men keep healthy and fit, women retain a trim figure. Lucky Strike, the finest tobaccos, skillfully blended, then toasted to develop a flavor which is a delightful alternative for that craving for fattening sweets.

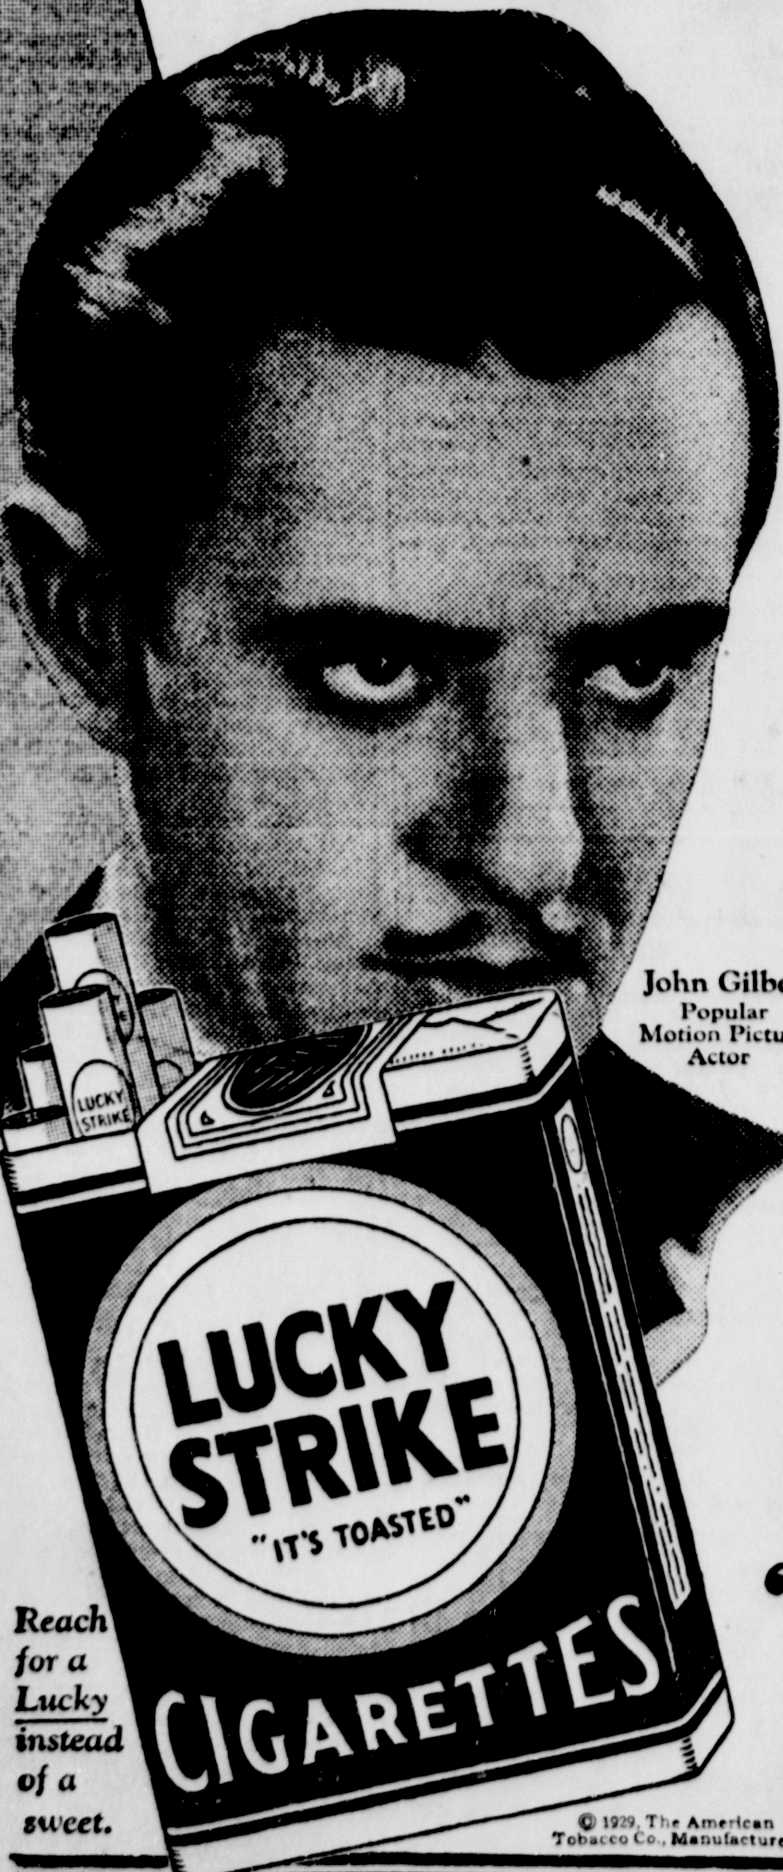

Toasting frees Lucky Strike from impurities. 20,679 physicians recognize this when they say Luckies are less irritating than other cigarettes. That's why folks say: "It's good to smoke Luckies."

Note: Authorities attribute the enormous increase in Cigarette smoking to the improvement in the process of Cigarette manufacture by the application of heat. It is true that during 1928, Lucky Strike Cigarettes showed a greater increase than all other Cigarettes combined. This surely confirms the public's confidence in the superiority of Lucky Strike.

BADGERS BEAT PURDUE, 27-24

Wisconsin Assured at Least Tie in Race for Big Ten Title

Madison, Wis., Feb. 25—(AP)—Wisconsin virtually assured itself of at least a tie for the Big Ten championship tonight, fighting an uphill battle to shove Purdue out of the race, 27 to 24, in one of the most thrilling games ever witnessed in the Wisconsin armory.

Wisconsin has but two games left to play—one against Michigan, which remained in the running by defeating Minnesota tonight, and the other against Chicago, which rests in the cellar.

One victory would assure a tie and two undisputed leadership.

Getting the jump on Wisconsin the heavy scoring Purdue five ran up a 13 to 8 lead at the half, but the mainspring in Purdue's attack, Cummings, was injured in the second period and with his departure Purdue offense and defense literally fell apart.

The score:

Wisconsin (27)	FG	FT	PF
Foster, f.	1	1	1
Kowalczyk, f.	1	0	0
Matthuesen, c.	0	1	0
Tenhopen, c.	4	0	2
Miller, c.	2	0	0
Chmielecki, g.	0	1	0
Ellermann, g.	1	0	4
Totals	12	3	7

Purdue (24)	FG	FT	PF
Cummings, f	3	4	0
Harmeson, f	0	0	2
Welch, f	0	0	0
Murphy, c	1	2	1
Schnafer, g	1	0	1
Lyle, f	0	0	1
Boots, g	4	0	2
Totals	9	6	7

BUCKEYES WIN.
Columbus, Ohio, Feb. 25—(AP)—Ohio State broke its tie with Iowa for fourth place in the Big Ten basketball race by trouncing the Hawkeyes tonight, 42 to 23. It was the sixth win in ten games for Ohio.

Iowa's offense never got started and accounted for only two field goals in the first half. Meanwhile Ohio piled up an 18 to 6 lead, largely due to the work of Jack Evans, George Van Reyde and Wesley Fessler.

Iowa spurted as the second half began and came within five points of the Buckeyes but then dropped behind the pace. The Hawks shot only seven field goals, Wilcox and Nelson getting two each.

MEASURE MAY BE LISTED ON APRIL BALLOTS

(Continued from Page One)

annual appropriation no larger than this we will at the end of ten years be no further ahead than we are today. Our need is imperative and it is now. The neglect of years makes it necessary that we have a large appropriation so that we can make adequate plans.

In Greater Economy
"It would not be good business to undertake this work by a series of appropriations dependent upon the action of future legislatures that will not be as familiar with the situation as you are today. In order to plan largely, economically, and well, we must know the amount of money that is to be available and the time when it will be available. This bonding program involves submission of the whole project to the people, for their ratification. It will devolve upon you to say what buildings are to be built, where they are to be located and how much is to be expended upon each one of them. In other words, the detail of expending this sum of money will rest with you. The bonds will be sold only as the money is needed to pay for work actually performed."

"Michigan will be indulging in greater economy if we adopt a single unified program. In short by adopting the bond issue, we are meeting the present need in its entirety, in a manner that will take care of the future as well without placing too heavy a burden upon the present. I also recommend to you the appointment of a commission for the study of our present tax system with its many inequalities. I believe this commission will find a better way of paying our bonds than by a direct property tax."

Fishermen Get Over Million
In five weeks \$1,303,500 was earned by crews of fishing vessels engaged in catching herring off the coast of England during the past season. Some crews grossed as high as \$9,000, the average being \$4,120. Share fishermen earned as much as \$650, the average being \$280. Fisher girls also made larger sums than usual.

Night Air Trips Over London
Following the lead of Hamburg Germany, in having night air sight-seeing trips over the city, a similar plan is being proposed for London. As London, with its many lights, is considered one of the most beautiful cities by night, it is believed that nocturnal trips will be popular. Flights to other parts of England may be tried if the proposed venture is successful.

Britain will pay nearly \$300,000,000 in pensions and allowances this year.

KIDNAPED GIRL IS RETURNED

Doris Virginia Smith, 4 years old, who disappeared from a San Francisco playground, is shown with her parents after she was restored to them unharmed. Three persons were arrested, charged with the kidnaping.

NURMI CLAIMS HE WAS SICK

Amateur Association Board to Act on His Case Wednesday

New York, Feb. 25—(AP)—Paavo Nurmi, the fading phantom of Finland, explained today that illness prevented his appearance in the national A. A. U. championships in Madison Square Garden last Saturday night. The registration committee of the metropolitan association, A. A. U., will meet on Wednesday to determine whether that excuse is valid enough to lift the indefinite suspension plastered on the famous Finn when he failed to appear for the two-mile steeplechase at the A. A. U. championship.

Nurmi's explanation was forthcoming in two letters received from the Finn at A. A. U. headquarters today. One of them, written before the meet, said that illness would prevent him starting in the steeplechase. The other, written after the games, reiterated Nurmi's claim that he was suffering from a severe cold and protested against the summary action of A. A. U. officials in meeting on the floor of the Garden to put him on the temporarily suspended list.

Notwithstanding Nurmi's contention, that belief still persisted in some quarters that the Finn had not appeared because he did not want to face his youthful countryman, Eino Purje in the steeplechase, or the Swede, Edvin Wide, in the two-mile flat race. Purje won the steeplechase in new world's record time and Wide turned in better time for the two miles than Nurmi has been able to make on his present American tour.

Mississippi today. The sheriff said he had been unable to verify the reports because all telephone and telegraph lines were down.

TWO DEAD.
Dewitt, Ark., Feb. 25—(AP)—A mother and daughter were killed and the father seriously injured in a tornado which struck the little community of Van, seven miles east of here last night. Considerable property damage was done.

EXTRA SESSION BEST APR. 10

(Continued from Page One)

Fe where he has been engaged as a member of the Rio Grande commission and as chairman of the Boulder Dam commission. He called immediately on the president-elect.

Mr. Donovan was one of Mr. Hoover's closest campaign counselors and had been discussed for the attorney generalship. Opposition, however, has been reported to have developed to his selection for that post and that this had led Mr. Hoover to consider him for secretary of war.

Football-Bull Fight War
A war for popularity is on in Spain between football games and bull fights. The older generation and some of the new still cling to the thrills of bull fighting. The younger people are becoming football fans of the most enthusiastic type, and they declare that their favorite sport is gaining many recruits each year, while the lure of the bull is weakening.

Artificial sunlight being tested on a Sussex, England farm has increased egg production, hastened the growth and improved the quality of pigs, speeded crops and caused flowers to bloom in seven days instead of seven weeks.

Three large sun spots, widely separated in the form of a triangle, with a number of smaller spots distributed between them, were recently observed from London and were connected with very bad weather that prevailed at the time.

A team of German women hockey players is touring England.

WIDE AND PURJE WIN TWO RACES

Runners Are Held to Slow Times Because of Poor Track

Elizabeth, N. J., Feb. 25—(AP)—Edvin Wide of Sweden, and Eino Purje, of Finland, outdistanced handicap fields to win their events at the Warinanco A. C. games in the Elizabeth armory tonight. Wide won a mile and one-half handicap, and Purje flashed home first in a three-mile handicap. Neither approached record time.

Over a poor track, Wide won the mile and a half event in 6 minutes, 46.35 seconds, compared with his own world's record of 6:37.45, made in New York in 1927. The Swede's victory, however, was a costly one. As Wide began his closing spurt, his right leg struck a board and an examination after the race revealed he had strained his ankle. Although Wide finished the race with no more than a slight suggestion of a limp, the ankle was swollen to nearly double its normal size.

Track Condition Bad.

Wide finished more than half a lap ahead of Ove Anderson, of Finland, with Clarence Jensen, of New York, prep, third. Anderson was given a 50-yard handicap and Jensen one of 100 yards. Purje ran the three miles in 15 minutes, three and three-fifths seconds, compared to Willie Ritola's world record of 13:56.15. The Finn, who broke Ritola's record for the two-mile steeplechase at the national A. A. U. championships last Saturday night, did not appear to be trying for any new mark tonight. Good times were practically impossible, as a matter of fact, because of the condition of the track.

Penney Company Buys 117 Stores

New York, Feb. 25—(AP)—The J. C. Penney company, nationwide chain store operator, today announced the acquisition of 117 additional stores, through purchase of the J. B. Byars company of Denver, and the J. N. McCracken company of Livingston, Mont., bringing its total of stores to 1212.

Declaration of a dividend of \$7 on the common stock, payable March 13 to stock of record March 7, also was announced. This is on the present stock and compares with a \$6 dividend paid a year ago. Net profit for 1928 was disclosed as \$10,588,971, equal to \$14.12 a share, in contrast to \$8,948,699, or \$12.32 a share in 1927. Sales for the year totaled \$176,698,983, against \$151,959,865 the previous year.

Hull, England, with a population of 300,000, did not have a single arrest during a recent week-end.

One Cent a Day Brings \$100 a Month

Over 100,000 Persons Have Taken Advantage of Liberal Insurance Offer. Policy Sent Free for Inspection.

Kansas City, Mo.—Accident insurance at a cost of one cent a day is being featured in a policy issued by the National Protective Insurance Association.

The benefits are \$100 a month for 12 months—\$1,000 to \$1,500 at death. The premium is only \$3.65 a year or exactly one cent a day. Over 100,000 paid policies of this type are already in force. Men, women and children ten years of age or over are eligible. No medical examination is required. This may be carried in addition to insurance in any other company.

Send No Money

To secure 10 days' free inspection of policy, send no money. Mail to the National Protective Insurance Association, 1460 Scarritt Bldg., Kansas City, Mo., the following information: Name, age, address, beneficiary's name and relationship. After reading the policy you may either return it without obligation or send \$3.65 to put policy in force for a whole year—365 days.—Copyright, 1928.

FAVORITES WIN IN TENNIS MEET

Hunter and Other Stars Overcome First Opponents

Miami Beach, Fla., Feb. 25—(AP)—Favorites ruled today in the Men's singles of the annual Miami Beach tennis tournament. Francis T. Hunter, New Rochelle, N. Y., second ranking player in the nation, Johnny Hennessey, Indianapolis, who ranks fourth, young Jock McLean, Washington, D. C., and a number of local starters encountering but little difficulty in winning their matches. Fifteen matches were played the first day of the men's division activities on the courts. Jack Van Ryn of East Orange, N. J., drew a bye.

Hunter made quick work of his opponent, David Minton, New York, and turned in a 6-0, 6-0 card, and Hennessey won from Arnold Pyrom, Miami, 6-2, 6-3, while young McLean emerged victor after he had dropped the first set to Joe Whitehead of New York. The scores were 2-6, 6-1, 6-3.

Other results in the day's play were:

R. A. Stearns, Detroit, defeated John Gillespie, Cleveland, 6-2, 6-1; John Millen, Philadelphia, defeated William Reisinger, New York, 6-1, 6-4; G. Carlton Shaffer, New York, defeated Irving Knickerbocker, Albany, 6-0, 6-0; Gus Feuer, Miami, defeated C. V. Grawn, Detroit, 6-0, 6-2; Val Gress, Forest Hills, L. I., defeated A. Springer, Boston, 6-3, 6-1; Fritz Mercur, Bethlehem, Pa., defeated C. B. Craig, Coral Gables, 6-4, 6-3; H. Godfreyson, Milwaukee, defeated Dr. J. G. Simmons, New York, 6-0, 6-1; W. Burns, New York, defeated Roy Godfreyson, Milwaukee, 6-0, 6-1; Robert Gifford, New York, defeated Eric Howell, Bethlehem, Pa., 7-5, 7-5; Carroll Turner, Miami, defeated T. R. Pearls, Detroit, 6-1, 6-2; Martin Buxhey, Miami, defeated J. P. Nickerson, N. Y., 6-3, 6-3; James Nixon, Miami, defeated James Calder, Miami Beach, 5-7, 6-3.

Cubs Open Busy Week of Training

Avalon, Santa Catalina Island, Calif., Feb. 25—(AP)—The Chicago Cubs pitchers and catchers, pepped up by a day of rest returned to the training field today to begin what promised to be an eventful week. The usual workout of pitching and batting practice was followed by Manager Joe McCarthy today and it is likely that he will send the Cubs through the same kind of session tomorrow.

The second contingent of Cubs will not arrive until noon tomorrow but McCarthy expects to have them outfitted and ready to go on the field Wednesday morning. He plans to start two workouts a day then.

Each rookie pitcher was given a turn on the mound today, while the veterans were getting their batting eyes in shape. Mike Cvetogros, star of the Wichita Falls club hurling staff last season, but before that a major leaguer, showed mid-season form in his deliveries. "Snipe" Hansen, Berlyn Horne, Eddie Lautenbacher and Ivan Green performed excellently.

McCarthy after watching the rookies perform on the mound and the veterans at bat, said: "What I want is sluggers, and these pitchers, if they can perform like this in a regular game, will set my worries at rest." The workout showed a marked improvement in the batting of the veteran members of the pitching staff.

Funeral Wednesday
The body was removed from the Alfo Funeral Home to the family residence, 620 South Twelfth street yesterday. Cloverland Post, American Legion, will be in charge of the military funeral services which will be held March 2 at 9 o'clock Wednesday morning in St. Anne's church, Very Rev. Raymond G. Jacques, officiating. Burial will be in St. Anne's cemetery.

Mr. and Mrs. Bonno had no children but they adopted five. Of these one, Harry Bonno, is a veteran of the Spanish-American war and two, Earl Pillion and Harvey Perkins, are World War veterans. Several children of the adopted sons and daughters also grew to maturity in the Bonno home.

LINDBERGH WITH BRIDE-TO-BE

(Continued from Page One)

here several days. Newspaper reporters who had encountered only a wall of silence in their efforts to interview Colonel Lindbergh yesterday on his arrival at Mexico after his flight from Eagle Pass, Texas, took up the trail again today. A party of them were driving here when they met on the highway the automobile in which the ambassador was returning to Mexico City.

Ambassador Morrow, although he stopped his car, declined to give any information and to every question about plans for the wedding replied: "I have nothing to say."

The reporters continued on to the Morrow residence, where the aviator received them more pleasantly than yesterday and with a happy smile. He was quite willing to discuss aviation but declined to give information about his wedding plans.

"You must ask me that later," or, "maybe I can tell you that in a few days," were his responses. Asked if these answers meant that plans were not yet formulated, he replied, "Any interpretation is on your own responsibility."

However, the Associated Press learned from the highest authority that the plans in fact haven't been decided upon.

LINDY UNKNOWN.

Cierravaca, Mexico, Feb. 25—(AP)—The Associated Press correspondent today asked a dozen persons met in the plaza here if they knew that Colonel Lindbergh was in town. All answered no, and three asked, "Who is Lindbergh?"

Madison, Detroit Men Win Cue Tilts

Detroit, Feb. 25—(AP)—R. V. Fessenden, of Madison, Wis., and H. F. Postal, Detroit, won the first two matches of the annual western 18.2 ball game tournament which opened here this afternoon. Fessenden defeated H. F. Cook of Toledo, 250 to 186, in 42 innings. Postal won, 250 to 204, from C. F. Cross of Detroit in 29 innings.

Postal had the high run of the day, 58, Fessenden's 39 being next best.

The eight district champions entered will compete in two sections and the winners of first and second places in each group will then play a round robin for championship honors. The tourney is expected to end Sunday.

JOHN BONNO DIES SUNDAY

(Continued from Page One)

ing August, he married his girlhood sweetheart, Miss Julia French. After living in Ogdensburg for one year, they moved to Malone, N. Y., and still later to the state of Vermont. About 25 years ago they came to Delta County, to occupy a farm in Bark River township. They came to Escanaba six years ago, purchasing the property at 620 South Twelfth street which has been their home since.

Mr. and Mrs. Bonno had no children but they adopted five. Of these one, Harry Bonno, is a veteran of the Spanish-American war and two, Earl Pillion and Harvey Perkins, are World War veterans. Several children of the adopted sons and daughters also grew to maturity in the Bonno home.

HALL TALKS TO KIWANIS CLUB

Traffic Safety Subject of Trooper's Informa- tive Address

Safeguarding traffic on the highways is not the business of the policeman alone; it is the business of everybody. Trooper Frederick Hall, of the Michigan State Police told the Escanaba Kiwanis club yesterday. Laws are made, Trooper Hall pointed out, not to penalize the careful driver, but to protect him from the driver who is neither safe nor careful. While the theory of all traffic laws, a few years ago when the automobile was a new thing, was to curtail speed, the modern theory and practice is to keep traffic moving, because in every delay is an economic loss, and in every hindrance to the normal flow of motor vehicles there is an increase in the hazards.

Trooper Hall's most interesting summary of Michigan's traffic laws, was one of the features of an interesting program. Another feature was the reports by Willard Nordby and George Harvey, Jr., delegates of the club to the annual Older Boys' Conference at Menominee. The club, after hearing the reports, decided to increase the number of delegates it will send to the conference next year.

Many common faults of motorists were listed by Trooper Hall. He gave brief summaries of the laws regulating driving and curbing recklessness, and explained, in detail, the system of uniform signs now in use in 47 states, including Michigan.

Victor Fillion was introduced as a new member of the club.

AMUSEMENTS

AT THE DELFT.
"Indiana," says George Ade, "is a state I will never go back on or to." And that is just what Al Johnson is saying of the stage since the spectacular success of his first movie, "The Jazz Singer," now showing at the Delft Theatre. The story of the play parallels Johnson's own life. He, too, ran away from an orthodox home to follow the lure of the theatre and was rewarded by applause such as no other entertainer in history has elicited. At the moment of the triumph of the Jack Robin of "The Jazz Singer," his mother comes to tell him that his father is dying and to plead with him to leave Broadway for the humble home in the Ghetto to sing the Day of Atonement song, in place of his father. Torn between the love of the piece rises to dramatic heights of great beauty. The cast includes May McAvoy, Warner Oland, Eugene Bessner, Cantor Josef Rosenblatt, Otto Lederer, Bobbie Gordon, Richard Tucker, Nat Carr, William Demarest, Anders Randolph and Will Walling. Al Cohn did the scenario based on the Samson Raphaelson play. Alan Crosland's masterly direction is everywhere evident. But it is Johnson, the inimitable, Johnson the emotional, the volcanic, the captivating, which makes audiences shout and weep and laugh.

AT THE STRAND.
Said to be one of the best under-world pictures turned out in some time, "The Price of Fear," a Universal Thrill Feature, co-starring William Cody and Duane Thompson, now at the Strand, is a picture replete with thrills and tense situations. Included in the cast are Tom London, Jack Raymond, Monte Montague, Ole Nelson and Grace Cunard. Leigh Jason directed under the supervision of William Lord Wright.

So heavy were rains in the Dominican Republic recently that the Santiago-Puerto Plata highway, which is only six months old, was badly damaged.

London's County Hall, planned to be built for \$4,250,000, will cost at least \$25,000,000, according to latest estimates.

WEIGH WHAT YOU DESIRE

If you over-weigh, the cause may not lie in over-eating or under-exercise. It may lie in a fault in nutrition which modern research has discovered. And which science now corrects.

The method is embodied in Marmola prescription tablets. People have used them for 20 years—millions of boxes of them. And many of the people you envy—with slender figures, new vivacity and health—will urge you to adopt this way.

The use of Marmola does not require abnormal exercise or diet. In every box you will find the formula, also the reasons for results. You will know just why your weight comes down and why every effect is helpful. Learn the facts, and do it now. Do so by asking your drug gist today for a \$1 box of Marmola.

Can You Face your mirror unafraid?

If pimples spoil an otherwise lovely reflection, cleanse the skin gently but thoroughly with Resinol Soap. Then apply Resinol Ointment. The soothing healing treatment seldom fails to give delightful results. At all drugists.

Free sample on request. Write Dept. 39, Resinol, Baltimore, Md.

HE IS FATHER OF 33 CHILDREN

James M. Kimble, 62, of York, S. C., is the father of 33 children, 23 of whom are still living, and grandfather of 64. He has been married three times, the first venture being made when he was 15. His first wife bore him 23 children, his second wife none and his present wife has born him 10. Here are Mr. Kimble and his present wife and 10 of the children who are still with him.

DEFENDS HIGH EDUCATION COST

Sum Spent for Schools Discussed at Meeting of Officials

Cleveland, Ohio, Feb. 25—(AP)—Educators of national reputation united here today to defend the constantly increasing expenditures for public instruction and to attack the forces that stand in the way of school betterment.

The attack was led by Frank D. Boynton, of Ithaca, N. Y., president of the department of superintendence of the National Education association in the annual convention here. Those behind the movement to curtail school expenditures are "gold greedy go-getters who have always been ready to rob childhood of its birthright, to coin it into coupons in order that, with unconscious irony, they might build monuments to themselves on college campuses," Boynton said.

He declared he would object to curtailment in the expenditure for education except where it can be shown to be a wise economy that can be effected without abridging educational opportunity for every one.

Expenses Are Low.
The educators did not overlook the necessity for greater economies, however. Joseph M. Gwinn, superintendent of schools, San Francisco, Cal., urged building of new schools to replace old, inadequate buildings. Possible means of cutting building costs were pointed out by Roy R. Roudsback, assistant superintendent of schools, Indianapolis. He recommended utilization of waste spaces, use of classrooms all day, and eliminating unnecessary expenditures for equipment.

The people of the United States are spending only 2.68 per cent of their income for education, George D. Strayer, professor of education, Teachers college, Columbia university, told the superintendents. In view of the fact that this nation is able to save 15 per cent of its income we need not be anxious concerning the school expenditure, he declared.

Londoners are taking to American soft drinks, and the number of soda fountains there has increased from 10 in 1919 to 200 today.

NO PATIENCE WITH CHILDREN

Lydia E. Pinkham's Vegetable Compound Steadied Her Nerves

Dalton, Pa.—"I was weak, nervous and run-down before my last baby was born. My other children tired me. I had no patience with them and they just wore me out. My mother told me about some one who took Lydia E. Pinkham's Vegetable Compound and it helped her. I took it myself and got fine results. I am getting along fine now, thanks to your Vegetable Compound. My husband and I both feel sure that it helped me."—Mrs. RAYMOND STAGE, R. F. D. 2, Dalton, Pa.

Lucille Breault Missing 3 Years, Returns to Home

Lucille Breault, 18, daughter of Mr. and Mrs. Wilfred Breault, 1221 First avenue north, from whom no word had been received by the parents for three years, arrived home Saturday from Milwaukee.

The girl learned that she was being sought through publication of stories in Milwaukee newspapers concerning her long absence. Her parents had feared that she might have met with foul play. She had been working in Milwaukee.

Driver of Aerial Taxi Can Buy His "Cab" on Earnings

New York, Feb. 24—(AP)—In announcing its entrance into the manufacturing field, Coastal Airways today made public a financial plan by which taxi drivers of the air may purchase their machines as do their brethren of the pavements, paying for them out of earnings.

Ezlo De Angelis, executive chairman of the company said that final tests of the new air taxi had been completed and that it shortly would go into quantity production. It is a four passenger cabin amphibian powered with the 150 horsepower Wright engine of the new whirlwind group, giving it a speed of about 100 miles an hour.

Coastal Airways has been in operation several years in the taxi and charter business and spring is inaugurating daily service between New York and Albany and air bus lines from Manhattan to Coney Island and Seagate.

HANSON WILL HOLD MEETINGS

Veterinarian to Discuss Cattle Diseases With Farmers

Dr. F. K. Hanson, Marquette, assistant state veterinarian, will hold a series of four meetings with Delta county farmers on Wednesday and Thursday. It was announced yesterday by Joseph E. Turner, county agricultural agent.

The Michigan State college extension department specialist will discuss such problems as cattle disease and their control, sanitation in livestock buildings and general care of animals.

The schedule of the farm meetings is as follows:

Bark River—2 o'clock Wednesday afternoon.

Perkins—8 o'clock Wednesday night.

Stonington—2 o'clock Thursday afternoon.

Danforth—8 o'clock Thursday night.

L. R. Arnold, upper peninsula poultry expert, will hold six meet-

ings with Delta county farmers on March 7 to 9. He will discuss the care of the laying flock at each gathering. He will return in April to hold a second series of meetings, at which he will discuss the care of baby chicks, housing conditions and brooding practices.

KEEP STOMACH YOUNG!

Eat What You Want

When the food you eat goes into your acid-soaked stomach, it sours and can't digest, makes foul gas and sour bile. The blood takes these poisonous acids and carries them through the body. Naturally it makes you miserable and despondent, because your system is not nourished—you lose weight.

Pape's Diapepsin dissolves the acids and sweetens the stomach. It digests the food, no more sour bile is taken up by the blood. Your appetite is like a youngster's again, and gradually you get back your health, flesh and energy.

Chew a tablet or two of Pape's Diapepsin after meals. It tastes good, and relieves the misery of indigestion in five minutes. It will keep your stomach young and vigorous so you can eat anything you want without being afraid of the consequences.

ings with Delta county farmers on March 7 to 9. He will discuss the care of the laying flock at each gathering. He will return in April to hold a second series of meetings, at which he will discuss the care of baby chicks, housing conditions and brooding practices.

Diphtheria Case at Isolation Hospital

Believing that their two-year-old son, Bernard, had a fishbone lodged in his throat, Mr. and Mrs. Clarence Machia, of Wilson, brought

him speedily to Escanaba Sunday. It was disclosed, upon examination here, that the child was suffering from diphtheria, and that the choking at the dinner table at which fish was served, was due to the diseased condition of the throat. The case is being cared for at the city isolation hospital.

RAIL LAWS ARE GIVEN APPROVAL

Measures to Aid Consolidation of Roads Adopted Upon by Committee

Washington, Feb. 25.—(P)—Legislation designed to facilitate wide spread railroad consolidation was reported favorably to the senate today at the end of a week during which some of the country's most important rail interests, have advanced specific plans in the same field to the interstate commerce commission.

Senator Fess, Republican, Ohio, acting for the majority of the senate interstate commerce committee, presented a consolidation bill with a detailed explanation of its purpose and the statute modifications it contemplates.

Though the text of the measure made no reference to the individual consolidations pending, all of its terms have intimate associations with the series of enterprises now formally launched which look to the creation of giant rail mergers, some of them planned on a scale looking to the fusion of 150 or 200 sizable transportation systems in one management unit.

Comish Has Petition

The latest and perhaps the largest of these proposals were submitted to the interstate commerce commission only three days ago, one by the Baltimore & Ohio system, which asked approval for the acquisition of nearly 8,000 miles of additional line. The other consolidation proposal was submitted by the Van Sweringen interests of Cleveland, who asked the right to build out of rail properties they now control and others they hope to buy, a new eastern trunk line with 14,000 miles of track.

Though these projects affect only the northeastern quarter of the country, there is already awaiting the commission's final word the provisionally completed merger of the Northern Pacific and Great Northern systems, in the northwest, whose joint control of the Burlington system, reaching southward to the Mexican Gulf, would put 25,000 miles of road in a single merger.

Satisfy Stockholders

Senator Fess' reports explained that the bill was designed to facilitate such unification of rail systems by merger, financial control, or corporate consolidation as might be deemed in the public interest by the interstate commerce commission. The bill repeats the sanction of former statutes even for the consolidation of "parallel and competing railroads," which was once forbidden by anti-trust legislation.

The measure also proposes methods of satisfying minority stockholders opposing consolidation, and it also would direct the interstate commerce commission to make plans for a general railroad merger. The bill further would extend provisions for tax exemption in security operations undertaken to bring about approved mergers, and generally would seek to facilitate the process advocated.

Though congress extended the first permission for rail consolidation in 1920, only minor mergers of operating lines have taken place in the ensuing nine years. The grouping attempted by O. P. and M. J. Van Sweringen of Cleveland, centering around the Chesapeake & Ohio, Erie, and Nickel Plate systems, as been only partially and conditionally approved by the interstate commerce commission, although the Chesapeake & Ohio has been given authority to take over the Pere Marquette systems.

Few Mergers Approved

The program of L. F. Loree, for merging the Kansas City Southern, Missouri-Kansas-Texas, and St. Louis Southwestern, met with flat rejection from the commission, as did the proposal of the Norfolk & Western to lease the Virginian system. The Northern Pacific-Great Northern merger is awaiting a decision, but approval is not expected by all observers to the proceedings.

Only one or two actual mergers of rail systems have been successful in running the gauntlet of opposition to obtain a commission approval since 1920, and these practically all amount to the closer unification of operating units already related by financial and management to each other. Several paper projects have been set up for discussion, but little has been actually accomplished.

Flyer Killed When Making Test Flight

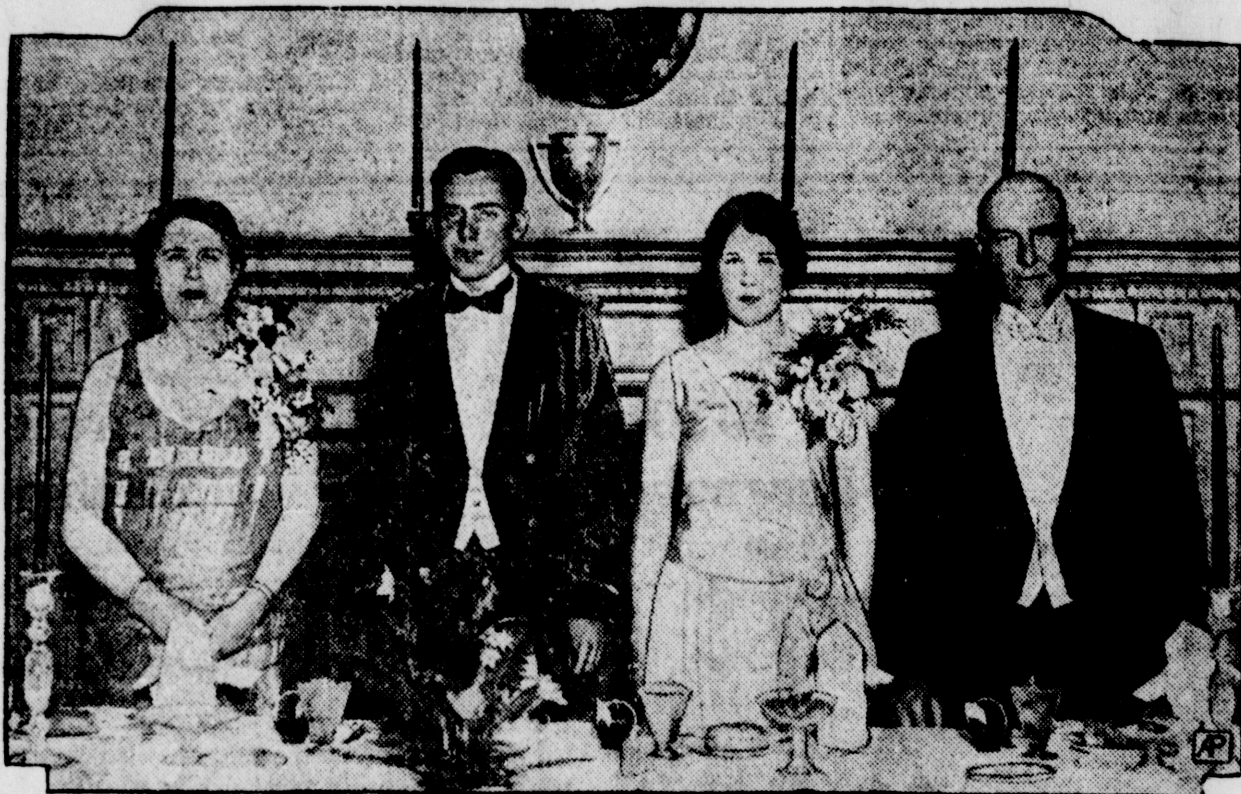

Selbridge Field, Mich., Feb. 25.—(P)—Flying an experimental type plane on a test flight, Lieut. Andrew Knox, 25, was killed here this afternoon in a crash which followed a voluntary nose dive of several thousand feet. Witnesses said they heard an explosion as Knox attempted to pull his XP-6 type plane from the dive at a height of about 300 feet.

It was impossible to determine from the wreckage what caused the crash.

Knox' home was in Thief River Falls, Minn. He was a reserve officer but had been on active duty here since Nov. 1 and previously had flown at Kelly and Brooks fields, San Antonio.

To tell the world more about the country, Brazil is establishing the Institute for Commercial Expansion.

JOHN COOLIDGE ATTENDS BALL WITH TRUMBULLS

BRIEFLY TOLD

Legion Auxiliary—There will be an important meeting of the Auxiliary to Cloverland Post No. 82 of the American Legion at the city council chambers at 7:45 o'clock Thursday evening, February 28.

Student Needs Work—A high school girl wants an opportunity to work in a home for her board and room so that she may continue her studies here. Anyone having a place for the student is asked to call Miss Irma Bangs, at the high school, telephone number 468.

Legion Notice—Members of the Cloverland Post No. 82 of the American Legion are asked to assemble at the city hall at 8 o'clock Wednesday morning, and will go from there to attend the funeral of John Bonno, Civil war veteran, who died Sunday afternoon.

Ladies' Aid—The Ladies' Aid society of the First Presbyterian church will meet at 2:30 o'clock this afternoon in the church parlors. The hostesses will be Mrs. W. G. Thick, Mrs. Roy Nerbonne, Mrs. R. E. Cheney and Mrs. Robert Rose.

Ladies' Aid Social—The Ladies' Aid society of the Swedish Baptist church will hold a February social meeting Thursday afternoon at 2:30 o'clock. Mrs. Alex Olson will be the hostess.

Cases Continued—After hearing testimony of police officers, the cases of John Landre and Axel Johnson, bartender and owner of the North Star hotel soft drink parlor, Justice of the Peace Rungtette continued the case until March 6 when additional testimony will be received. They are charged with violation of the prohibition laws.

At the Coliseum—The first roller skating program at the Coliseum on Sunday was largely attended. The skate boys' one-half mile was won by Harry Trombley in one minute 55 seconds. The second three-fourths mile race was won by Ivan Beauchamp in two minutes 36 seconds. The final one-

mile race was won by Francis Paulin in three minutes and 19 seconds. His opponent, Ray Beauchamp, was a close second. The feature for Thursday evening's program will be a musical chair contest for the ladies.

PERKINS

Mrs. G. McKnight, of Gladstone formerly Miss Pearl Besson, visited her grandmother, Mrs. Edmund Lancoeur, Friday.

Clifton Clausen is seriously ill with pneumonia at his home near Friday. Dr. Brozier of Trenary was called Tuesday.

The Misses Leone Carlson and Loretta Gibbs of Escanaba spent the week end at their home here. Mrs. Medrick Labresh is quite ill at her home due to an injury received when she attempted to cross a fence while taking care of the stock.

Miss Loretta McCarthy, teacher at the Hall school, spent the week end at her home in Escanaba.

Rev. A. C. Coignard celebrated mass at St. Nicholas church at 8 o'clock Saturday morning.

Algot Gustafson who is employed in and around Escanaba doing electrical work with Mr. Oliver Nontelle spent the week end at his home here.

Wm. Trudell cut his foot quite badly Saturday while at his work near Stack.

Wm. Mathis, of Escanaba, called Saturday in the interests of Cudahy Bros.

Mrs. Henry Lancoeur, Jr., formerly Miss Valerie Pepin, and Mrs. Harry Gerou were delayed in leaving for Detroit to see their sick mother owing to Mrs. Lancoeur's baby having broken out with measles. They expect to leave as soon as the baby is well. Mrs. Morand will care for the baby during the mother's absence.

Miss Dorothy Gibbs who was unable to continue her training at the Ford Hospital in Detroit and who has been visiting friends in Chicago for the past three weeks is expected to return home this week.

Miss Pearl Sovie who is employed at Gladstone spent the

Perronville Woman Dies Suddenly at Her Home Sunday

Perronville, Feb. 25 (Special)—Mrs. Frank Yanik, 49, died at her home Sunday afternoon from apoplexy. She had eaten a hearty noon-day meal and was resting in a rocking chair, when she suddenly collapsed. Her husband was not at home and one of her children ran nearly three miles to the home of Rev. Thomas Dregnaz, of the Perronville Catholic church, to summon help. When Father Dregnaz and the boy arrived in the priest's automobile, life was extinct. Mrs.

Yanik had not been in robust health but it was not known that her condition was dangerous.

Mr. Yanik, who is employed in the Hicks Lumber camp near Kiva, was notified and arrived at home last night. Besides her husband, three children, Francis, Helen and Joseph, all at home, survive.

The funeral will be held Wednesday morning in the Perronville Catholic church, Rev. Fr. Dregnaz officiating, and interment will be in the cemetery there.

GEORGE GODIN, 15, SUCCUMBS

Ruptured Appendix Fatal to Schoolboy Sunday

George Godin, 15-year-old son of Mr. and Mrs. Felix Godin of Escanaba passed away early Sunday morning at a local hospital where he had been admitted several days before in a critical condition, suffering from ruptured appendix. An operation was performed and all was done in order to save the youth's life, but of no avail. He died at 1:45 o'clock.

He is survived by his parents. There are no sisters or brothers. His mother was formerly Miss Bessie Crawford of this city.

George attended the Alton school and was in the seventh grade. He was very popular among the teachers and students and will be greatly missed by his companions.

The body was removed from the Alton Home to the residence of Mrs. H. J. North, 1230 North Sixteenth street, where it will remain until this morning when funeral services will be held at 9 o'clock at St. Charles' church at Rapid River with Rev. Fr. Joseph E. Guertin as celebrant at the requiem high mass. Burial will be in the Whitefish cemetery.

Four men in Ceylon were recently fined in court for playing cards on a train, which "interfered with the comforts of the other passengers."

Londoners are beginning to occupy upper stories of new office buildings, having become accustomed to the speedier elevators.

Yanik had not been in robust health but it was not known that her condition was dangerous.

Mr. Yanik, who is employed in the Hicks Lumber camp near Kiva, was notified and arrived at home last night. Besides her husband, three children, Francis, Helen and Joseph, all at home, survive.

The funeral will be held Wednesday morning in the Perronville Catholic church, Rev. Fr. Dregnaz officiating, and interment will be in the cemetery there.

Sold only by ELLSWORTH'S DRUG STORE Escanaba, Mich.

BEWARE THE COUGH FROM COLDS THAT HANG ON

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

10 TENTH ST.

YOUTH COMES BACK; HELD ON CHECK CHARGE

Dropping out of sight last September, Jerome "Pat" Frazie fell into the hands of Schoolcraft county authorities again Saturday night through a chance meeting with a former acquaintance Nahma, and was brought to this city in answer to charges of forging five checks totalling \$70 in the name of William Winkel, Cooke, also stealing a watch of Winkel, his former employer, valued at \$30.

The checks alleged to have been issued by Frazie were given here Sept. 22, 1928, to the following local business houses: Peoples Store \$20, J. C. Penney Co. \$10, William Martin \$20, John R. Nelson \$10, Fred Ekberg \$10. All were signed with the name of Winkel, for whom Frazie had been doing farm work. During the absence of the family, it is claimed that Frazie also entered the home and took the watch.

In the county jail at Manistique yesterday, Frazie told local authorities that he made his getaway from Manistique last September by bus to St. Ignace, and from there went over to Mackinac Island by boat for a day or two. He wandered around after that, pawned the watch at Jackson, he said, and finally drifted back to Nahma this month to work in a camp for a few days. He went to Nahma to draw his pay, and while there met a young man who had known him at Cooke. He realized that it was no longer safe at Nahma, and planned to leave Sunday morning for the west. Word of his presence in the Delta county community was brought to Chief John A. Peterson, however, and the local officer went to Nahma immediately, accompanied by Mr. Winkel and Under-sheriff L. B. Chittenden. Frazie was arrested in his bedroom at Nahma about 10 p. m. Saturday and taken back to Manistique on the complaint filed here during county fair week of last year, dated Sept. 23.

Arraigned before Justice W. G. Stephens yesterday, the youth was bound over to circuit court for trial. He said that he had no father or mother, and had left his home in Texas five years ago when his mother died, drifting around to various points since then.

Willard Bolltho returned Saturday from Milwaukee where he attended the Rezell convention.

Quick Success

Few girls in pictures have made such rapid strides toward success as this charming New Yorker. Just a few months ago she was given her first job, shadowing a star. Within three hours, she had a real part in the picture—"The Loves of Sunya."

Miss Bayard says: "I am told my selection was largely due to my perfect skin and lovely hair. I've really never taken much trouble with either. For my hair I use the simple method that most of the girls I know here in New York are so enthusiastic about. It's so easy. All you do is put a little Danderine on your brush each time you use it. "This method is just what a busy girl needs. It's so easy; and it keeps your hair and scalp so clean you don't need to shampoo half so often. I am letting my hair grow and I find Danderine helps make it soft and easily manageable. I can arrange it any way I want and it stays that way. All my friends are complimenting me on the appearance of my hair, nowadays because Danderine has brought out all its natural color and made it so soft and lustrous."

Danderine removes the oily film from each strand and makes dull, stringy hair gleamy, soft, easy to dress. It tones and refreshes the scalp; helps overcome dandruff. It is delicately fragrant, isn't sticky or oily, doesn't show. All drug stores have the generous 35c bottles.

FREE THRILLS ARE PROVIDED WITH FIRE RUN

There were plenty of small town thrills for Manistique youngsters Saturday afternoon. A fire alarm came at 4:45 for a roof blaze at the M. E. Al-drich home, 631 Rrbutus avenue. On the way out a light truck disputed the right-of-way with the fire apparatus near the fire hall, and in dodging out of the way struck a car owned by Jack Williams, causing minor damage to fenders and body. In the main business section another car driving ahead of the fire truck in the street had a narrow escape, and a little girl ran across the street only a few feet ahead of the truck rushing to the blaze.

At the Ossawinamakee hotel corner, ice rods gave the firemen some fancy driving feats as they rounded the corner, and in front of the John Creighton home, 338 Arbutus, a horse lying in the road gave the fire trucks something more to evade. Negotiating this obstacle successfully, the trucks hit a hurdle at the intersection of Range and Arbutus in the shape of an icy bump which sent them careening on down the block.

The fire at the Aldrich home, believed to have been caused by chimney sparks from the outside, had spread to the attic, and was a difficult one to reach, but was checked before the home was badly burned. The blaze was limited to the roof and attic.

With the fire under control, some of the crowd of spectators returned to watch the progress of operations in raising the old horse which had suffered the mishap. The aged steed was unable to rise on the snow covered street, and a wrecker truck was brought over from the Ford garage to assist him in regaining his footing. Once raised up, however, she fell again, and the rescue party was eventually turned to a funeral.

Last Rites Held For L. Bouschor; Services Monday

Final rites for Louis Bouschor, life resident of Schoolcraft county, took place at Manistique Monday at 2:30 p. m. Services were at the home of a brother, Nels Bouschor, 107 South Second street, and burial was in the family lot at Lakeview cemetery.

Mr. Bouschor was 61 years of age, and was born at Barque Point, the southwestern tip of this county. With the exception of a few years spent in the west, he made his home here continuously during his lifetime. In recent years he had been a fire warden and state trapper at Steuben. His death occurred at the home of the brother in this city Friday night.

First Party in Tea Series Held

Starting off a series of "vanishing teas" sponsored by the finance committee of the Manistique Woman's Club, Mrs. C. E. Underwood was hostess Friday to 16 guests at her home on River street.

Under the invitation plan to be followed for these events, the first group consisted of 16 guests, each member of the second group will give parties with eight guests, while the third and final group will entertain four guests each.

The proceeds of the series will go into the finance committee's yearly budget.

The opening party was very enthusiastically received. Bridge was the evening's entertainment, and simple refreshments were served. The ladies present included: Misses Waddell, T. B. Little, Middlebrook, Brucie, Rare-don, Adams, F. Monroe, McKilligan, Teho, H. Cockran, Crowe, Fowler, W. Orr, G. Nicholson, Kefauve, Dahms.

SHOWER FOR MRS. TYRELL

A shower was given Saturday evening by friends of Mrs. Chester Tyrell's at her home, Michigan avenue. Bridge constituted the evening's entertainment. Prizes were awarded to Mrs. A. B. Waters high, and Miss Mary Mitchell low. There were twelve guests.

ATTEND PANCAKE SUPPER

The following motored to Gould City Saturday to attend a pancake supper given by Dr. and Mrs. Toms at their home: Dr. and Mrs. T. R. Southard, Mr. and Mrs. Henry Neville, Mr. and Mrs. Wesley Orr, Mr. and Mrs. Frank Lied, and Benjamin Gero. St. Dancing and bridge followed the supper, prizes going to Mrs. Wesley Orr and Dr. Southard.

MISS AHLSTROM HOSTESS

Miss Marie Ahlstrom will entertain the Bethany society Thursday evening at the home of her sister, Mrs. Axel Ekstrom, Range street. All members are expected to be present.

MEET WEDNESDAY

A regular meeting of the Methodist ladies' aid will be held at the church recreation rooms Wednesday at 2:30 p. m. The hostesses will be Mmes. D. J. Ward, Frank Hutt, J. Sidback, and A. Morrison.

LOCAL LEGION NOW ON THEIR TENTH SEASON

"The American Legion of Manistique will celebrate the tenth anniversary of the Legion's birth in the Paris caucus by bringing home to every veteran of this community the fact that for a decade our organization has labored tirelessly, without thought of reward, for his welfare."

This announcement was made by L. A. Danielson, post adjutant and finance officer of the Legion here yesterday.

"The Legion came into existence in Paris at conferences held March 15 and 16, 1919. The conferences were attended by representatives of all the armed forces of the United States. It was little more than an idea then. The idea grew. Substance was given to the movement when the returned soldiers, sailors and marines immediately began their unselfish service to God, country and their comrades in peace time. The organization of Manistique Post, No. 83 dates back to Dec. 2, 1919. Andrew S. Gill was the first presiding officer."

"For ten years the Legion has continued this service. Every bit of legislation that has been put on the statute books for the benefit of veterans came about through the Legion's tireless efforts. The Legion has never failed in any legislation it has attempted. Some of it has been delayed, but each delay has only added enthusiasm and determination to the veterans' efforts, because all of it is just and right."

"The Legion has worked for all veterans, not alone those who are members of our organization. In Legion child welfare work, all children are benefited by the legislation that the Legion is sponsoring for the air of widows and dependent children."

"The Legion has led in great civic movements throughout the country, and has ever been ready to serve the community in which a post is located. It has stood staunchly for law and order, for the protection of our nation, and for the advancement of good citizenship."

"In its great and successful pilgrimage to France in 1927 the Legion again took the leadership in promoting world peace among all nations. No other movement in history has had so far-reaching effects for the abolishment of war as did that good-will visit of Americans to the home lands of their comrades of war days."

"At no time has the Legion sought any reward, other than the satisfaction of loyal service well performed and high ideals maintained. The time has now come for every ex-service man who some day may wish to obtain free hospitalization, or who has enjoyed the benefits of his adjusted compensation certificate, to acknowledge his obligation to the Legion."

"In no way can he acknowledge it better than to subscribe to Legion principles, Legion ideals, and Legion service by joining his former comrades in this great work. Every veteran needs the Legion and the Legion needs him. No better birthday present could be given the Legion than for him to take out a Legion membership card—a card that is a key to the door of every ex-service man's heart wherever he may be met."

Orr Block Has a Fire Monday

Business places in the Orr block, Cedar street, were filled with smoke Monday morning from a fire under the structure. The blaze was first discovered by employees of the Debut and Collins barber shop, when smoke began to roll out of a trap door. An alarm was turned in at 10:45, and the fire department responded, locating the fire in the basement.

The barber shop and the Martin Johnson tailor shop suffered the heaviest from smoke damage.

The fire department answered a false alarm Sunday. Someone saw steam arising from a sewer pipe, and supposed it to be a house blaze.

Seeking Stolen Goods, Troopers Find Moon Outfit

Searching the home for stolen property, state police also found a still and mash at John Wartel's place, Driggs, Saturday, and Wartel was brought to Manistique for hearing on a double charge.

The arrest was made by Sgt. Fred M. Keune, and Wartel was taken to Manistique by Matt Keune, deputy sheriff. He was being held at the county jail Monday, awaiting his arraignment before Justice W. G. Stephens.

CATHOLIC AID MEETS

Mrs. Fred Pizala and Mrs. William Champagne will be the hostesses at the regular meeting of the Catholic ladies' aid Wednesday at the school basement.

CITY BRIEFS

Miss Othilia Schuster, who teaches at Iron Mountain was a week-end guest at the home of her parents, Mr. and Mrs. John Schuster North Houghton avenue.

Stanley Crowe and Ben Hudson motored to Escanaba Sunday.

Jack Williams and Joe Gibbs returned Saturday from Marquette where they attended the Mr. Pleasant Marquette basketball game.

Clifford Berger, Verner Ekstrom and Pat Foye motored to Marquette Friday to attend the Baraga-Manistique basketball game.

W. W. Owen underwent a major operation at the Manistique hospital Saturday evening. His condition was reported as favorable Monday.

Miss Jane Currie left Monday for Sault Ste. Marie, where she will be the guest of her grandmother, Mrs. Jane Morley, for one month.

After a weeks visit at his home, 500 Range street, George Kinsling left this morning by motor on his regular business trip.

Mrs. Chester C. Currie left this morning for Detroit where she will visit relatives and friends for a few days before leaving for Washington, D. C., where she will be the guest of Major and Mrs. C. H. Rice for one month. Mrs. Currie accompanied George Kinsling to Bay City.

Sheriff J. M. Hewitt has returned from the Soo, where he was called by the illness of his brother George. The latter is reported to be improving.

The Lakeside P. T. A. will have a pay to play card party at the school tonight, to which the public is invited. Bridge, 500, and bunco will be played.

Members of Manistique Council 2026, Knights of Columbus, were hosts at a patriotic program given Monday night at the club rooms in the St. Francis de Sales school basement. The affair was one of a series of entertainments arranged by the committee.

Mrs. Kandel is Reported Better

Mrs. Charles Kandel, who has been ill at Manistique during the last week, is reported improving. Mrs. Kandel just returned from Green Bay, Wis., where she was called by the illness of her son, Frederick, a student at St. Norbert's College, who underwent an operation for appendicitis at the St. Vincent hospital. Mrs. Kandel contracted a severe cold as a result of the low temperature in the Wisconsin city during her stay, and an attack of tonsillitis followed.

Death Calls Cooks Couple to Atlanta

Called by the death of the former's brother, Oral McKenzie, Mr. and Mrs. Arthur McKenzie left Cooks Monday by motor for Atlanta, Mich. The death occurred at Atlanta Saturday night at 11 p. m., and relatives here were advised immediately by wire, leaving yesterday to attend the funeral.

The mother, Mrs. Anna Hoffman, is also reported very ill at Atlanta.

Party Tonight at Lakeside School

A pay-to-play card party will be held at the Lakeside school building tonight under the auspices of the Parent Teachers association. Refreshments will be served, and games of bridge, five hundred and bunco will make up the entertainment program.

Proceeds of the event will go toward the purchase of playground equipment for the school.

SERVICES AT NAHMA

Church services will be held at the Nahma community church tonight. The Rev. C. S. Risley of Manistique will be present and the public of the community is invited to attend.

Mrs. Stebbins Burial Monday at St. Ignace

Funeral services were held at St. Ignace at 10 a. m. Monday for Mrs. Bowman Stebbins of Manistique, whose death occurred in this city last Wednesday. The body was held here until Monday morning, awaiting the arrival of a sister of the deceased, who arrived Sunday morning from California.

Mrs. Stebbins is survived by her husband, who is the commander of the Manistique Legion post, and two children, a daughter, 7, and son, 4.

Word is Awaited From Relatives of A. McKerrow

Pending word from two nieces, one in Detroit and the other in California, no funeral arrangements have been made as yet for Andrew McKerrow, 88, of Germ-fask, whose death occurred at a local hospital early Saturday.

The nieces are the only known relatives of the deceased.

DELEGATES CLUB GUESTS

Conference Report Given by James Krueger, Rotary Representative

Delegates to the Older Boys' Conference at Menominee and their leader, C. P. Titus of the Gladstone high school faculty, were guests of the Gladstone Rotary club at its regular noon luncheon Monday. The luncheon was served at the Rialto building, as is customary.

James Krueger, delegates of the Rotarians to the conference, gave his report on its sessions.

A short talk was given by C. P. Titus, leader of the Gladstone delegation, and a few remarks were made by Principal C. C. Strickland, who was a conference visitor.

The boys who were guests were: George Cameron, Fritz Frank, George Clark, Milton Lindblad, Hilding Olson, Myles MacMillan, Jim Grant, William Noreus, Kenneth Foster, James Krueger and Vincent Johnson.

THEATRES

AT THE RIALTO

Building a huge tropical jungle by transplanting tropical plants about an artificial lagoon, and nurturing them by means of steam pipes in the ground supplying necessary heat, was the staggering task accomplished in the production of "West of Zanzibar." Lon Chaney's new Metro-Goldwyn-Mayer production, showing at the Rialto Theatre Wed. and Thurs.

Although even experts would swear that the exteriors were filmed in an actual tropic jungle, the entire set, covering some ten acres, was built and raised inside the studio at Culver City. Alligators, monkeys, cockatoos, parrots and a gorilla added "local color" to the strange location.

Chaney plays "Dead Legs Flint," strange, paralyzed ruler of a tribe of savage devil worshippers in the heart of the Belgian Congo. In the new play, which is a grim drama of a terrible revenge. Weird voodoo ceremonies and strange savage rites are among the spectacular details of the vivid mystery play. Tod Browning directed.

The cast includes Lionel Barrymore, famous for his work in "The Lion and the Mouse," "The Barrier" and other plays; "Mary Nolan, heroine of 'Sorrell and Son'; Warner Baxter, hero of "Miss Brewster's Millions," and Jane Daly, heroine of "The Thirteenth Hour." Kalla Pasha, Roscoe Ward and others of note appear in the huge cast, and several hundred people take part in the spectacular voodoo scenes.

Pythians Will Meet Wednesday

A special meeting of the Knights of Pythias of Gladstone will be held Wednesday evening at 8 o'clock at the Henry Blackwell Hardware store, Al Hebbard will be in charge of the meeting. Attendance of all members is desired.

TRY FOR NEW PLANE RECORD

Bay City, Mich., Feb. 23.—(P)—Eddie Stinson and Randolph G. Page, veteran Detroit aviators, will start their world's record reliance flight off Saginaw Bay about 9 o'clock Sunday morning. Stinson said Saturday night after receiving official weather forecasts and placing his stamp of approval on final tests of the "Sally Sovereign," the ship they will use in the flight.

Stinson piloted the plane in two load tests off the bay Saturday afternoon and found everything satisfactory. He ordered 1,000 gallons of gasoline and 50 gallons of oil placed in the tanks at once. Food, clothing and other necessities have been stored and Stinson and Page are fully prepared for the long haul which must continue more than 67½ hours for official recognition.

They expect to follow a 30-mile course back and forth across the bay.

Would be Thirteenth Title Miss Sally Sovereign, in whose honor the ship has been named, christened it on the ice Saturday afternoon with more than 1500 chilled enthusiasts banded around the huge plane.

If the current effort succeeds it will mark the third time that Stinson has held this record. He first broke it in 1921 by remaining aloft upwards of 26 hours over Mineola, N. Y., last March he and George Haldeman set a new mark of 53 and one-half hours. Each time that he shattered the record he returned the laurels to this side of the Atlantic ocean. And that tinge of international rivalry has spurred him on in the present tilt for Germany now holds the mark of 66½ hours, established two months after Stinson and Haldeman made their achievement in Florida.

Issue Last Appeal For Seal Returns

A final appeal for returns on the Christmas Seal sale was issued yesterday by the committee in charge.

All returns, either in stamps or in funds are not yet in and the report must go out to the state department by March 1.

It is believed that failure to make returns is an oversight in most cases and for this reason attention is being called to the matter in the hope that a committee report may be sent to the state.

Returns may be sent to Mrs. J. D. Staple, chairman.

CITY BRIEFS

Rev. and Mrs. Frank Blair of Iron Mountain spent Sunday at the home of Mr. and Mrs. Thomas Burdick.

Ingolf Ingerbrigtsen has left for Marinette where he has taken employment.

Myron Goodman, who is spending the winter at camp near Newberry, Mich., spent the week end here at the home of his parents, Mr. and Mrs. August Goodman.

Miss Lucille Webb spent the week end with friends in Marquette.

Mr. and Mrs. Cyril A. Richter are the parents of a daughter, Cloe Theresa, born February 23. Both mother and baby are doing fine.

Miss Marie Mann of Milwaukee spent the week end here with her parents, Supt. and Mrs. A. H. Mann.

Mrs. Frank McLaughlin and children of Escanaba spent Sunday in Gladstone.

Clarence Royer of Menominee spent Sunday here at the Frank Royer home.

Mr. and Mrs. Ed Hubert will leave today for Menominee where they will spend a week with Mr. and Mrs. Arthur Hubert.

Misses Josephine Tuxmunt and Clara Ingerbrigtsen were Escanaba callers Monday.

Mr. and Mrs. B. J. Kemp left by motor for Evanston, Ill., accompanied by Miss Mildred Campbell, student nurse, who is resuming her duties there after a vacation visit with her parents, Mr. and Mrs. John Campbell. Mr. and Mrs. Kemp will return to Gladstone later in the week.

Mrs. Dehlin Degroat will leave today for Chelsea, Wis., where she will visit with her parents before returning to Milwaukee where she is employed.

W. C. Pralls of Minneapolis arrived here Saturday to spend a few days with his family and to transact business in connection with the Brotherhood of Locomotive Engineers of which he is chairman.

Mr. and Mrs. N. A. Benedict, of Winnipeg, Manitoba, Canada, left Sunday night for Chicago after spending the past few days here at the home of Mr. and Mrs. J. D. Staple.

Pastor Returning From Minnesota

Rev. Paul E. Palmquist is expected about the middle of the week from Cook, Minn., where he has been for the past few days. Rev. Mr. Palmquist has been conducting services in the Mission church of Cook.

Latter Day Aid Plans Pie Sale

The Ladies' Aid society of the Latter Day Saints' church will hold a pie social Tuesday evening at the Dan Shannon home. The pies will be sold in pieces to those who wish to have refreshments at the home, or entire to those who wish to take them home.

Forester Court Meets Wednesday

A meeting of the Woman's Catholic Order of Foresters, Sacred Heart Court, will be held Wednesday evening at All Saints' parish hall. The meeting will begin immediately after the Lenten services.

CHILDREN WHO ARE UNDERWEIGHT NEED

FATHER JOHN'S MEDICINE
ALL PURE FOOD

"MODERNISM" SERMON TOPIC

Third of Series of Sermons Will Be Delivered Wednesday

"Modernism and the Modern Mind" will be the subject of the sermon which will be delivered by Rev. Father Sebastian Maier, Wednesday evening at the special Wednesday evening Lenten service.

The sermon will be the third in a series which will be given each Wednesday evening during Lent.

In addition to the sermon there will be recitation of the rosary and benediction.

The service will start at 7:30 o'clock.

Pews of the church are open to everyone and the public is invited to attend and hear the sermons.

ANNIVERSARY PARTY FOR MRS. BARSTAR

Mrs. Katie Barstar was the honor guest at a party held Saturday afternoon at the home of her daughter and son-in-law, Mr. and Mrs. R. I. Simpson, on the occasion of her birthday anniversary.

The observance was planned and arranged by Mrs. Simpson. Social diversions were enjoyed during the afternoon and a delicious birthday lunch was served.

Decorations were in a color scheme of pink and white.

Mrs. Barstar received many lovely gifts, remembrances of the happy occasion.

Those present were Mrs. C. W. Lightfoot, Mrs. Sarah Green, Mrs. T. D. Stringer, Mrs. Soren Johnson and Mrs. Anna Anderson of this city, and Mrs. Amelia Stenke of Escanaba, who was the first woman with whom Mrs. Barstar became acquainted when she first came to Gladstone during its pioneer days, and who has been her life-long friend.

MISSIONARY'S LECTURE WILL ATTRACT MANY

An opportunity to hear an interesting lecture will be given Gladstone people Friday evening when Missionary H. M. Myhrman of Mongolia gives his illustrated lecture at the Swedish Mission church.

The lecture will be presented under the sponsorship of the Young People's society of the church.

Mrs. Sam Johnson and Mrs. P. J. Lindblad who will be hostesses for the evening will serve refreshments.

An offering for the missionary will be taken up.

A hearty welcome to attend is extended to all.

Waffle Supper Thursday Night

The Young Woman's Missionary society of the First Lutheran church will serve a waffle supper Thursday evening in the parlors of the church. Serving will begin at 5 and continue until 8 o'clock. Everyone is invited to attend.

Mr. and Mrs. Joseph Hillman of Escanaba spent Sunday at the Leo Wintell home, 811 Wisconsin avenue.

A regular meeting of the Royal Neighbors' society will be held this evening at Wasa hall, beginning at 7:30 o'clock.

A business session will open the meeting after which there will be a social time and refreshments.

This will be the first meeting since the opening of the Health campaign and attendance of all members is desired.

Max Neveaux Seriously Ill

Max Neveaux, well known Soo line railroad man of this city, submitted to an operation for relief from appendicitis Sunday morning at 10 o'clock at the St. Francis hospital, Escanaba. Mr. Neveaux had been home following an operation for relief from gall stones, performed a month ago, when he was stricken with the attack of appendicitis. His condition is very serious and absolutely no visitors are allowed.

MARKET NEWS

STOCK MARKET RESUMES WORK

STOCK MARKET AVERAGES	50	20	20
Today	210.1	135.5	210.7
Saturday	209.1	135.6	211.6
Week ago	204.5	133.8	209.9
Year ago	141.6	118.4	130.3
High 1929	217.2	141.2	222.9
Low 1929	201.8	132.6	193.1

BY CLAUDE A. JAGGER
(Associated Press Financial Writer)

New York, Feb. 25.—(P)—The stock market resumed activity after its three-day rest somewhat refreshed today, but a sharp tightening up of call money injected considerable irregularity into the day's proceedings.

The market opened with a burst of strength, but stepping up of the call loan rate from 6 1/2 to 9 per cent as banks called about \$35,000,000 for month end requirements, precipitated heavy liquidation, wiping out much of the early advance. A vigorous bidding up of the steel shares drove shorts to cover in the final deals, however, and the market closed irregularly higher.

U. S. Steel attracted strong support, largely attributed to a commission house analysis suggesting that elimination of several major bond issues appears logical in the near future, releasing interest and sinking fund charges equal to about 3.40 a common share annually. The stock opened with a block of 30,000 shares at 185, up 3 points, and mounted nearly 8 points to 189 3/4, less than 3 points under its record price.

The developments over the triple-holiday, including the leaving of the federal reserve bank's reserve ration, appeared to have improved speculative confidence, but bankers held out little hope of easier money, predicting firm rates all this week, and a sharp tightening of credit around the middle of March, with the shifting of the balances incident to the \$500,000,000 government refinancing. Total stock sales today of 3,456,150 were the largest since last Monday.

The day's news included several favorable earnings statements and dividend actions, and still another 1/4 of a cent increase in the price of domestic copper. A few more railroads reported highly satisfactory operations for January, Missouri Pacific and Chesapeake and Ohio showing surplus after charges about 100 and 50 per cent, respectively, greater than for January, 1928. The expected merger of the Guaranty Trust company and the National Bank of Commerce, forming America's first \$2,000,000,000 bank, was officially announced.

U. S. Steel was followed in its upturn by Bethlehem, which rose nearly 4 points to 100 3/4, the highest in 10 years. Crucible, Fallonsbee, and Youngstown Sheet and Tube were other steel shares making substantial headway. The copper increase, Anaconda touching a new peak at 137 1/2, and Greene Cananea moving up 4 points, but later losing most of its gain, American Zinc mounted over 5 points, approaching its previous top.

The commodity markets were irregular, cotton mounting from \$1 to \$1.50 a bale on higher Liverpool and Alexandria cables. Wheat however was depressed by lower prices at Liverpool, and corn sagged sympathetically.

Foreign exchanges were quiet with Sterling and Continental currencies generally firm.

BOSTON COPPER LIST (Closing Quotations)

St. Joseph Clashes With Rock Quint Tonight

LAST GAME ON REGULAR CARD

Reserves of Two Schools to Engage in Preliminary Tilt

St. Joseph and Rock high schools will wind up their regular basketball season tonight by clashing at the Escanaba high school gymnasium in a contest, which is expected to attract a large crowd of fans.

In a preliminary to the feature contest, the Reserve quintets of both schools will play. The first game will be called at 7:15 o'clock and the other at 8:15.

This will be the second meeting between the Saints and the Little Giants. Two years ago, the Parochial cagers trimmed them by a 17 to 15 score at Rock. Coach George Weingartner has developed a strong team this season, one that has a good chance to avenge the beating of two years ago. Rock divided a home and home series this season with Rapid River high school, which a few weeks ago defeated the St. Joseph basketball team.

The Saints were put through a stiff practice by Coach Gordon Gleich last night, and were announced to be in the best of condition. Much enthusiasm is being exhibited by the student bodies of both schools, indicating that there will be a large attendance both from the city and Rock.

The members of the St. Joseph squad are: Forwards, Kohlman, Skopp, Fitzharris and Clarke; centers, Rubens and Mileski; guards, Scheriff, Treiber and Frasier.

Atty Dennis McGinn, one of the most popular basketball officials in the peninsula, has been engaged to referee tonight's contest.

This is the last tilt on the regular schedules of both schools. St. Joseph high school will be entered in the Class C tournament at Norway and Rock will play in the Class D meet at Rapid River on Friday and Saturday of this week.

"Light Practice" For Tigers is Real Workout

Phoenix, Ariz., Feb. 25.—(AP)—"Light practice" is just a phrase to the Detroit Tigers of the American League in spring training here.

Stanley "Bucky" Harris, the club's new manager, had announced a light practice session for his charges during their first day on the Riverside Park diamond—the first day ever to see a major league club open spring training quarters in Arizona.

Observers who witnessed the Tigers workout for two hours and a quarter wondered what Harris meant by his use of the word "light" for the individual Bengals went at their training in a manner which presaged sore muscles and aching backs for the rubbing table tomorrow.

Every member of the advance guard was in uniform. Some played about the outfield, taking fielding practice and getting their arms into shape for the more strenuous days of the American League pennant race. Others cavorted over the grass infield.

Nahma Schoolgirls Beat Flapperettes By 44 to 12 Score

Nahma, Feb. 25 (Special).—The Nahma high school girls defeated the Escanaba Flapperettes here Sunday afternoon by a 44 to 12 score. Nahma's speedy forward, Heather Camps, made 26 points.

The Nahma girls expect to play a return game at Nahma within the following week and hope to add another victory to their list.

French Fighter Favored to Beat Frankie Genaro

Paris, Feb. 25.—(AP)—"Spider" Pladner, French flyweight, has been made a seven to five favorite to defeat Frankie Genaro, the Italian-American ext-titholder, in their 15-round boxing match here Saturday. Genaro is being billed here as world flyweight champion and the fight as a title bout.

Cage Fans of State Await District Meets

What many may proclaim the tastiest dish on the state's inter-scholastic sports menu is about to be served. Within the next few days hundreds of high school basketball teams in Michigan will pack their equipment and depart for district tournaments, the first step in the long and arduous climb to the state championships.

On March 1 and 2 some thirty-five communities will be the centers toward which these young knights of the rubber soles will gravitate as they seek the elusive and highly prized titles. As has been the custom in the past three years will be three classes of competition, B, C and D. There will be state honors for all these divisions.

Another Indoor Track Meet to be Held at Gardens

New York, Feb. 25.—(AP)—Stars of the indoor tracks may get another chance to display their wares in Madison Square Garden before the end of the season. The amateur athletic union is conducting a campaign to raise a million dollar fund as a memorial to Gen. George W. Win-gate and efforts are being made to arrange a date at the Garden between March 23 and 25 for a meet to which all the stellar performers will be invited.

Race Horses Given Workouts on Sands Along Welsh Coast

Tenby, Wales, Feb. 25.—(AP)—The American steeplechaser Billy Barton, together with some of the Hon. Aubrey Hastings' jumpers, has been doing so well exercising on the sands here that the racing jockeys came down today to ride their various candidates for the Grand National.

Tom Cullinan, who will ride Billy in the National, had him out for a good gallop along the sands and if racing is resumed this week will ride him in the One Thousand Sterling trial steeplechase at Gatwick, Saturday.

Baracas Play at Garden Tonight

The Escanaba Amateur basketball league will clash with the fast Garden city team tonight in special match game. All members of the Baraca team are asked to be at the Baptist church gymnasium at 6 o'clock this evening, from where they will leave by motor for the peninsula city.

GANG DEFEATS PACKERS, 24-10

The North Escanaba Rough-housers trounced the Packers 24 to 10, in a league game last night. The Packers were unable to break through the strong gang defense, depending on long shots for scores.

Sullivan was responsible for the single Packer field goal in the first half. The gangsters piled up 14 points during the first two quarters. The Roughhousers were again leading at the end of the third period, 18 to 4.

Captain Erdman of the gang led the scoring, netting three field goals and five free tosses. Miller boosted the Packer score by dropping three long field baskets in the last quarter. Edick of the high school faculty refereed the tilt.

Roughhousers Go to Manistique Wednesday Night

The Roughhousers will make an attempt to stop the fast stepping Manistique legion live at Manistique Wednesday night.

The legionnaires have defeated the strongest teams in the upper peninsula during the season and are ready to add the local's scalp to their belt. The gang's lineup will be bolstered by Schou of the Packers and Rockburg of the Wolverines, both scoring aces of their teams.

The following men will make the trip: Captain Erdman, Rockburg, Lambert and Berglund, forwards; Schou and Erickson, centers; Reidy and the Johnson brothers, Bob and Tiger, as company his team. They will drive to Manistique, leaving the Ed Erickson store at 5:30 p. m.

Iron Mt. Cagers Will Practice at Gym Here Today

Members of the Iron Mountain high school basketball team, accompanied by Coach Thune, will come here today to practice on the Escanaba high school gymnasium floor, which will be the scene of the Class B tournament on Friday and Saturday.

Iron Mountain drew a "bye" in the drawings made at Principal John A. Lemmer's office Friday.

Approve Bill for New Toll Bridge

Washington, Feb. 25.—(AP)—A bill introduced by Rep. Louis C. Cramton, Michigan, to authorize Maynard D. Smith to construct a toll bridge across the St. Clair river at Port Huron, Mich., was approved today by the house interstate commerce committee.

Since the cessation of hostilities in China, the railways in Manchuria have been steadily growing busier.

Injury to Stribling's Side Not Serious; to be Ready for Bout

BY EDWARD J. NEIL.

(Associated Press Sports Writer)

Miami Beach, Fla., Feb. 25.—

(AP)—The full that precedes the zero hour settled over the training camps of Jack Sharkey and Young Stribling today as the preliminary cannonading of the battle of the Everglades died away. The shooting, if any, appeared confined to the mysterious early morning pot shot at Jack Dempsey.

The plump sixteen-ounce training mittens of the Boston sailor

were packed away for other days after a desultory five round session that included two rounds of boxing, the last Sharkey will get before he faces the southern pride in the ten round embroglio in Flamingo Park Wednesday night.

Stribling tacked his sparring gloves to the wall yesterday and his drill this afternoon consisted only of setting up exercises, shadow boxing and bag punching.

Both fighters worked under the tension that has gripped both camps since Stribling injured his side. If anything, the Sharkey entourage was the more upset and from all parts of the dog track where the Boston assembly holds forth came loud and vehement cries that Stribling was merely preparing his alibi in advance.

Should Recover

After "Pa" Stribling, father of the Macon slasher, explained Stribling's injury to the Associated Press, the physician in charge of the boy announced that the injury consisted of a dislocation of the fourth rib on the left side, followed by traumatic neuritis.

"Young Stribling came to me with a side injury Wednesday night," Dr. Cecil B. Ferguson said. "The fourth rib was dislocated. I put the rib back in place. Traumatic neuritis developed, which has responded to treatment. The boxer is not yet entirely well but there is no reason why he should not be in perfect condition Wednesday night."

Following five rounds of exercises, Stribling went through his paces for newspapermen to his dressing room. Bending, flexing his back and shoulder muscles with ease and with no indication of pain. The boxer said that the trouble had disappeared, that he was in perfect condition, and would not even take his clothes off tomorrow after dressing in the morning. He weighs 133½ pounds in his ring toge.

Sharkey worked easily and with no effort to do more than sharpen his punching equipment. Against Paul Hoffman, the first opponent, the Boston tar "pulled" many of his punches and was content to shoot easy but accurate straight right hand shots to the heart. Jack worked faster against Johnny Grosso and hurt his New York sparring mate, although he made no effort to do so.

"He's ready," said Grosso when the drill was over. "He's hitting harder than ever before."

Johnny Buckley, veteran manager of Sharkey, frothed about training camp of his gladiator breathing for fiery expressions of contempt for Stribling and the injury.

"Stribling has never fought a good man without claiming injury beforehand," he said. "When Paul Berlenbach hammered him around, Stribling had a dislocated vertebra in his neck and a broken vertebra when he fought Tommy Louhran in New York. There's nothing wrong with him now but he'll have plenty of injuries Thursday morning."

Sharkey, in perfect physical condition, scaled 192½ before he worked today and 191 when he finished. He hopes to put on another pound or so before the battle. Tomorrow Sharkey plans the lightest sort of a workout with calisthenics and bag punching to keep muscles loose and limber.

With the battle only two days away, Miami Beach strove to house the visitors pouring into town on every train. Hotels were crowded with flit and society celebrities and the newcomers were forced into adjoining towns for accommodations. Ticket sale was reported well past the \$300,000 mark.

The second fall came fast, in one minute and 20 seconds. Sonnenberg clamped on three headlocks and followed with a like number of flying tackles. He missed the first and went sailing into the laps of the ring side spectators. The second tackle floored the Pole as did the third. Sonnenberg jumped on his opponent before he could rise after the third tackle and pinned him with a body hold.

Eight thousand persons paid \$16,000 to see the show.

COWBOY ELOPES WITH RICH GIRL

Real Western Romance Is Disclosed After Secret Marriage

Phoenix, Ariz., Feb. 25.—(P)—A western romance, with all the elements of a movie scenario, except the final fadeout after parental blessings, was unfolded today following the elopement of Miss Katherine Thorpe, 21, with George Gillespie, Arizona cowboy entertainer and curio dealer.

Miss Thorpe, the daughter of Robert J. Thorpe, former president of Montomey Ward and company, and Gillespie were married at a hotel here last night as the culmination of a whirlwind courtship that overrode objections on the part of the bride's parents.

A broken engagement figured in the romance for the betrothal of Miss Thorpe to Clymer S. Bowen, formerly of Piedmont, Calif., was announced at a dinner party at the Thorpe apartment in Chicago Jan. 29.

Shortly afterward the society girl came to Castle Hot Springs, Ariz. With her parents for the winter season, Gillespie wooed her and the elopement followed.

"We loved each other so we just got married," the elopers said when they were located here today. The girl's parents had asked authorities to search for the pair and there was talk of charging Gillespie with abduction. But the bride said she was sure "everything will be all right."

Is "Dude" Cowboy
"Father and mother just don't understand yet," she said.

Gillespie is 27 years old and is widely known in the state as an entertainer who affects the cowboy atmosphere. Since coming west about four years ago, he has operated a curio store at Castle Hot Springs. He is a graduate of the University and is the son of the late George R. Gillespie, Nashville, Tenn., real estate dealer.

Officers received a telephone message from Castle Hot Springs requesting that Gillespie be arrested for kidnapping Miss Thorpe, who was said to be only 17 years old. They learned, however, that the bride was of age and that no warrant had been issued. No effort would be made to detain Gillespie, it was announced at the sheriff's office.

SOCIAL

Pot Luck Luncheon

Mrs. D. B. McIntyre was hostess to about fifty C. (P) N. W. Ry. club women at a potluck luncheon at her home yesterday. The afternoon was enjoyably spent with cards and sewing. Assisting Mrs. McIntyre were Mesdames Carroll, Vandenberg, Harvey, Heminger, Murphy, McKay and Ridings. This was the second of a series of luncheons that the club is holding.

Girl Slated to be Curtis' Secretary

Washington (P)—A feminine secretary to the vice president of the United States—first in the history of the nation—probably will make her bow March 4.

She will be Miss Lola Williams, diminutive Kansas blonde who stumped for Charles Curtis when he ran for re-election as Senator and whose rise to chief of his capital office staff is the typical saga of success through persevering initiative.

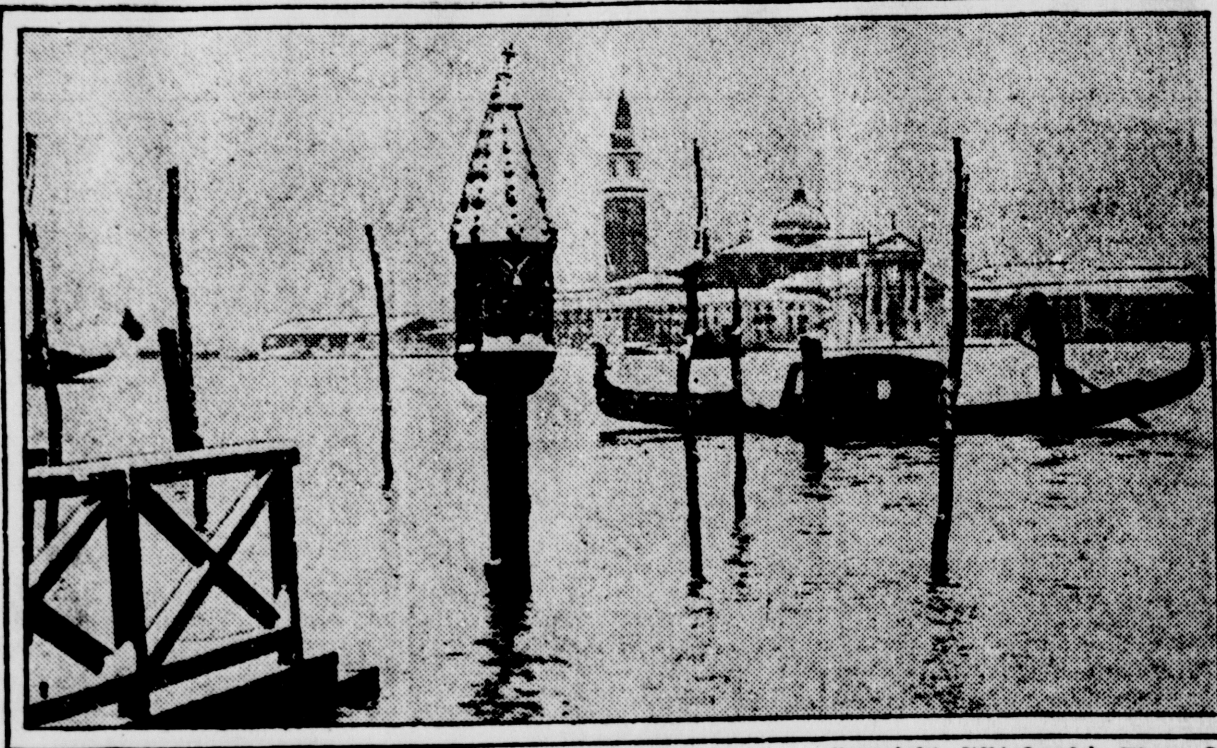

The vice president-elect has said that Miss Williams is the best secretary he has ever had because she "knows how to deal with people," and though he will not announce his office personnel until March 1, indications have been positive that Miss Williams will be retained.

Miss Williams has one salient characteristic, essentially feminine, for all her efficiency, she wears her clothes well and is good to look upon.

Trim in a dark green frock, tailored parrot with a close, high neck and snugly belted waistline, she was frankly elated over the prospect of her rise in rank.

"But after all," she amended, "it will be just the same—the boss will be the boss and my job will

VENICE BEAUTIFUL UNDER HEAVY SNOWFALL

Copyright, NEA-London Times, C

When it snows in Venice they don't have trouble with slippery streets, because there aren't any—but the city of gondolas becomes beautiful under the white covering. Here is a recent photo of Venice under the snow, the Church of St. Mark in the background.

Northwestern Five Defeats Indiana

Evanston, Ill., Feb. 25.—(P)—Northwestern university's in and out basketball five returned to winning form tonight nosing out Indiana, 28 to 26, in an overtime period.

Coming from behind to take a 15 to 9 lead at the half, Northwestern pulled up to tie the count near the end of the game after the Hoosiers had taken the edge on a scoring spree early in the last period. Three goals in rapid succession at the start of the second half tied up the count and from then on the lead saw-sawed with Indiana holding the whip hand until the final minutes of play. The score was tied at 22 at the end of the regular playing period.

Williams, Chicago Negro, Knocks Out Malcor in Second

Flint, Mich., Feb. 25.—(P)—Roy Williams, 160 pound Chicago negro, knocked out Henry Malcor of St. Louis, 161 pounds in the second round of their ten round headline bout here tonight.

In a semi-final Wilbur Chevalier of Flint, outpointed Buddy Christie, of Grand Rapids, in 8 rounds. Both men weighed 120 pounds.

Results of other bouts: Harry Robinson, Port Huron, 136, won a decision over Freddie Stevens, 139, Flint, in 6 rounds; Art Kinney, 123, Flint, decision over Jess Serbantez, 124, Flint, in 4 rounds, and Roy McFarland, 136, Flint, shaded Eddie Hintz, 136, Saginaw.

Chinese are turning from cigarettes made at home to those of foreign make.

be as pleasant as it is now because he is that kind of a boss."

Her blonde head, meticulously combed, bobbed as she grinned. She would insist that her success is due to the virtues of the boss.

Mr. Curtis says of her: "She knows what to tell people when I am out. She knows what to do with the mail—people write and tell me about the efficiency with which she handles things."

Smith Brothers Triple Action Cough Syrup does exactly the three things that medical science recommends for stopping coughs. It soothes the irritated tissues, it is mildly laxative, and it clears the air passages. Quickly, it brings relief.

Even a stubborn cough yields to Smith Brothers Cough Syrup! The famous cough drop flavor makes it pleasant both for children and for grown-ups!

Trim in a dark green frock, tailored parrot with a close, high neck and snugly belted waistline, she was frankly elated over the prospect of her rise in rank.

"But after all," she amended, "it will be just the same—the boss will be the boss and my job will

Waner Brothers Holding Out for Bigger Salaries

Oklahoma City, Okla., Feb. 25.—(P)—The Pittsburgh National League club must send Paul and Lloyd Waner contracts calling for substantial salary increases or the 1929 baseball curtains will go up on the Pirate stage without the now famous Waner brother act. Two reasons were cited for the salary demand, "Paul and Lloyd."

Paul, voted the most valuable player in the league in 1927, was held indoors today from his daily fishing trip by rain. He took time out to talk about the holdout status.

The elder Waner said that he had returned three unsigned contracts to Barney Dryfuss, president of the Pittsburgh club and that the next move in the hold-out game must be made by the Pirate skipper.

"I know of several good fishing places around here and it is my intention to stay here until they place the figure on my contract that I consider I am entitled to," Paul said.

Paul would not divulge how much either he or his brother received last year nor would he give the exact amount they were holding out for. Current rumors have had it that they are asking for \$30,000 together.

The first contract sent both was for an increase over last year's salary, Paul explained. After the first one was returned without either's signature, Mr. Dryfuss asked Paul to give him a reason for his demand.

"Big Poison," in a letter, cited his record for the last three years. In answer to this the Buccaneer owner accused Paul of becoming egotistical, he said.

Cardinals Leave For Camp in South

St. Louis, Feb. 25.—(P)—Five players, including Manager Billy Southworth, were in the St. Louis Cardinals' advance squad which left late today to open spring training in Avon Park, Fla., Wednesday. Other battery men are to report direct to Florida.

The party included the veteran hurlers, Grover Alexander and Clarence Mitchell and two rookies, Carlson and Cochran. Owner Sam Breadon went along as did Secretary Lloyd, local sports writers and the two Cardinal coaches, "Greasy" Neale and "Gabby" Street.

The St. Louis Browns' early squad left last night for West Palm Beach, Fla., and are due to open training tomorrow morning.

OBITUARY

LAFABRE INFANT

Bark River, Feb. 25.—(Special)—Viola Ella Lafabre, infant daughter of Mr. and Mrs. John Lafabre, died at the family home here Saturday evening. Funeral services were held at 9 o'clock Sunday morning at St. Xavier's church at Spaulding with Rev. Schalle officiating. Burial was made in Spaulding cemetery.

Hit and Run Driver Sought by Police

Police last night sought the driver of an automobile that struck Joseph Hurreon of Wells as he crossed the street at the intersection of Audington and Sixteenth streets.

Hurreon was taken to the hospital where it was found his injuries were not serious. The driver of the car failed to stop after striking the man.

There were no clues to the identity of the vampire car but police will continue the investigation today in an effort to apprehend the guilty party.

REPORTERS TO MEET HOOVER SEMI-WEEKLY

(Continued from Page One)

without giving it anonymous sponsorship.

Mr. Hoover is planning to have conferences with the newspaper men twice a week, as has been the custom in the past, but, instead of being expected to answer questions extemporaneously and without preparation, all inquiries will have to be in writing and submitted at least twenty-four hours before the newspaper conference. This will afford ample time to refer these inquiries to cabinet officers and get comprehensive information for the press. In some instances it will result in statements in which the President will permit quotation in the first person. In other cases the information will be given out on the authority of the cabinet officer in question. In still other cases, wherein the administration has reached no conclusion or does not feel that it cares to make a statement of policy, the news as to its deliberations may be given with the understanding that it will be treated simply as informative observations, to be published without being attributed to any particular official.

Questions in Writing.
Up to now presidents have been expected to know every detail of their administrations and to tell all about them in impromptu fashion in the conferences with correspondents. Mr. Harding was the first to see the shortcomings of this policy and to ask that the questions be submitted in writing. Mr. Coolidge did not take time to consider the written questions, merely glancing over them for a few minutes before he began his conversations with the correspondents. The result was that many of the questions were passed up altogether and never answered. The same privilege, of course, will be kept by Mr. Hoover, particularly if he considers a question embarrassing or incompatible with public interests to answer. But Mr. Hoover hopes to make the plan so effective that the number of unanswered questions will be reduced to a minimum.

There has grown up a custom on the part of some cabinet officers of sending representatives

to the White House press conferences, in order that they might know what the Chief Executive is saying. It is probable that Mr. Hoover will send a stenographic record of his discussion with the correspondents to the departments, so that they may know how much information has been given to the press and in exactly what form.

The Washington correspondents at present also have opportunities to interview individual cabinet officers, but in recent years some of the cabinet have been inclined to see the press less and less frequently. This has, in turn, piled up the questions at the White House. Mr. Hoover as a cabinet officer talked very freely with the newspaper men and gave them an abundance of information on every subject within his department and within his knowledge.

Believes In It.
Mr. Hoover is a firm believer in letting the public know the facts, indeed in building up a public opinion based upon a thorough understanding of governmental operations. The new President recognizes the power of public opinion in aiding him in carrying through the major policies of his administration against the barriers that will naturally rise up to plague him. The information thus far given is that Mr. Hoover will start his administration by dealing with the press on a basis of frankness and comprehensive information.

(Tomorrow's dispatch will deal with foreign policy.)

Safe for Every Cough
Give them a good start in life, with happy smiles and healthy little bodies. Children need a mild corrective occasionally to regulate stomach and bowels. Dr. Edwards' Olive Tablets are a safe vegetable compound mixed with olive oil. They tone up and regulate the eliminative tract. Not a nasty cathartic or a habit-forming medicine, but a safe pleasant remedy for constipation, sour stomach, torpid liver, bad breath, and similar disorders. Dr. Edwards, a widely known family physician of Ohio, prescribed these tablets for many years in his own practice. Children from six years up are greatly helped by them and like to take them. Recognized by their olive color. Dr. Edwards' Olive Tablets overcome those irritable spells that many children are subject to, keep their bodies in active healthy condition, skin clear and eyes bright with the light of perfect health. 15c, 30c and 60c sizes.
